Yiddish - sholem aleikhem

Together we see a world where people unite and take action to create lasting change across the globe, in our communities, and in ourselves.

Song of the Week: On Top of Spagetti

On top of spaghetti all covered with cheese
I lost my poor meatball when somebody sneezed

It rolled off the table, it rolled on the floor
And then my poor meatball rolled out of the door

It rolled in the garden and under a bush
And then my poor meatball was nothing but mush.

The mush was as tasty as tasty could be,
And early next summer it grew to a tree.

The tree was all covered with beautiful moss
It grew great big meatballs and tomato sauce.

So if you eat spaghetti all covered with cheese,
Hold on to your meatball and don't ever sneeze.

Through grants from The Rotary Foundation, Rotarians improve access to essential medical services for mothers and their children. These efforts are aimed at reducing the number of children under age five who die each year because of malnutrition, inadequate health care, and poor sanitation – a figure that is currently estimated at 7 million.

According to another estimate, more than 80 percent of maternal deaths can be prevented with access to reproductive health services and trained health care workers. Rotarians provide education, immunizations, birthing kits, and mobile health clinics to support these causes. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.
