This land is your land, this land is my land, from California to the
New York Iland. From the Redwood Forest to the Gulf Stream

waters. This land was made for you and me

As I went walking that ribbon of highway, I saw above me that
endless skyway.

I saw below me that golden valley.

This land was made for you and me.

I roamed and rambled, and followed my footsteps to the sparkling
sands of her diamond deserts. All around me, a voice was sounding

This land was made for you and me

There was a big, high wall there that tried to stop me. A sign was
painted said "Private Property" But on the backside, it didn't say

nothing

This land was made for you and me .

When the sun come shining, then I was strolling.

and the wheat fields waving, and the dust clouds rolling. The voice
was chanting as the fog was lifting. This land was made for you and
me .

This land is your land, this land is my land

From California to the New York Island. From the Redwood Forest
to the Gulf Stream waters

This land was made for you and me

September Theme:

Basic Education & Literacy Month

SEPTEMBER

"We can teach children to love. We can teach them to respect themselves and others. We can teach them to set goals and work toward them. And in return, they can pass on these life-affirming values to the next generations."
PRIP Hebert G. Brown 1995-96

BASIC EDUCATION AND LITERACY MONTH

TAKE ACTION: Join Rotary. Be a People of Action

This is one of Rotary's seven areas of focus. We all know how critical reading and writing are for success in life – for gaining information, communicating, making agreements, and so forth.

Enhancing Basic Education skills and Literacy are essential in reducing poverty, improving health, encouraging community and economic development, and promoting peace. Improvements can reduce maternal death, improve childhood survivability, and reduce poverty. They can also enable success in business or a profession.
