Perry YMCA

September Theme:
Basic Education & Literacy Month

CeCe will share more about the Perry YMCA, it's work in our community, and the programs and services it provides to local individuals and families.

SEPTEMBER

"We can teach children to love. We can teach them to respect themselves and others. We can teach them to set goals and work toward them. And in return, they can pass on these life-affirming values to the next generations."
PRIP Hebert G. Brown 1995-96

BASIC EDUCATION AND LITERACY MONTH

TAKE ACTION: Join Rotary, Be a People of Action

This is one of Rotary's seven areas of focus. We all know how critical reading and writing are for success in life – for gaining information, communicating, making agreements, and so forth.

Enhancing Basic Education skills and Literacy are essential in reducing poverty, improving health, encouraging community and economic development, and promoting peace. Improvements can reduce maternal death, improve childhood survivability, and reduce poverty. They can also enable success in business or a profession.
