**Program:
Phil Shackelford
Governor
District 5910**

**October Theme:
Economic & Community Development**

Phil Shackelford has called Bryan-College Station his home since 2002 with only a couple of brief stints that took him to Austin and West Texas. Raised in Plainview, TX, Phil graduated from Plainview High School and attained the rank of Eagle Scout in the Boy Scouts of America before attending Texas A&M University. Phil founded Shackelford Consulting, a governmental affairs firm focused on grant writing and governmental consulting, which has a successful track record of securing funding for meaningful infrastructure projects across the Brazos Valley. Prior to that, Phil served as the Associate Director of the Blinn College Foundation and Alumni Relations also holding the distinction of overseeing and developing the most successful fundraising event, at the time, in the over 135 year history of Blinn College. Phil also previously worked for Congressman Chet Edwards as a field representative in a five county area including Burleson, Grimes, Madison, Robertson and Brazos Counties. Every day in the Congressional Office could range from working with local officials on transportation or public safety projects, to providing aid for a downed grain elevator in Calvert, TX, to tracking over \$243 Million in innovative research at Texas A&M University.

After his time on Congressional Staff, Phil established his consulting firm with clients ranging from many local elected officials, local non-profit organizations seeking help in fundraising, and many other special projects. Throughout his time in business and government service, Phil has worked diligently on campaigns and policy at the local, state, and federal level in various capacities across Texas. Phil currently serves as Past Board Chair of the Bryan College Station Chamber of Commerce, Chair of the Legislative Affairs Committee, and on the Policy Committee of the Greater Brazos Partnership. Among other clients, Phil is proud to work alongside his colleague from Congressman Chet Edwards' Office, Lindsey Davis Stover, on her 1953 tequila brand taking Texas and the Country by storm. 1953 Tequila is an ultra-premium, additive-free, delicious Anejo Tequila founded, farmed, distilled, and led by women. He is married to the love of his life, Kyndra, who is a business administrator for Texas A&M's Geochemical Environmental Research Group. He has been a Rotarian since 2007, a past President and proud member of the Rotary Club of Aggieland, a Paul Harris Society Member, and Governor of Rotary District 5910 which includes most of Southeast Texas, around Houston, and up to Palestine.

October is recognized as Economic and Community Development Month. This month highlights Rotary's focus on fostering sustainable economic growth and community well-being. Rotary clubs worldwide engage in various projects to support communities, not just with immediate aid, but with long-term, sustainable development initiatives.
