Song of the Week:

This Land is Your Land

This land is your land, this land is my land, from
California to the New York Island. From the
Redwood Forest to the Gulf Stream waters. This land
was made for you and me
As I went walking that ribbon of highway, I saw above
me that endless skyway.
I saw below me that golden valley.
This land was made for you and me.

I roamed and rambled, and followed my footsteps to
the sparkling sands of her diamond deserts. All
around me, a voice was sounding
This land was made for you and me

There was a big, high wall there that tried to stop
me. A sign was painted said "Private Property" But on
the backside, it didn't say nothing
This land was made for you and me .

When the sun come shining, then I was strolling.
and the wheat fields waving, and the dust clouds
rolling. The voice was chanting as the fog was lifting.
This land was made for you and me .

This land is your land, this land is my land
From California to the New York Island. From the
Redwood Forest to the Gulf Stream waters
This land was made for you and me
