Together we see a world where people unite and
 take action to create lasting change across the
 globe, in our communities, and in ourselves.

Song of the Week:

This Land is Your Land

This land is your land, this land is my land, from California to the New York Island. From the Redwood Forest to thishe Gulf Stream waters. This land was made for you and me

As I went walking that ribbon of highway, I saw above me that endless skyway. I saw below me that golden valley. This land was made for you and me.

I roamed and rambled, and If ollowed my footsteps to the sparkling sands of her diamond deserts. All around me, a voice was sounding This land was made for you and me

There was a big, high wall there that tried to stop me. A sign was painted said "Private Property" But on the backside, it didn't say nothing This land was made for you and me .

When the sun come shining, then I was strolling. and the wheat fields waving, and the dust clouds rolling. The voice was chanting as the fog was lifting. This land was made for you and me .

This land is your land, this land is my land From California to the New York Island. From the Redwood Forest to the Gulf Stream waters This land was made for you and me
