On top of spaghetti all covered with cheese.

I lost my poor meatball when somebody sneezed.

It rolled off the table, it rolled on the floor.
And then my poor meatball rolled out of the door.

It rolled in the garden and under a bush
And then my poor meatball was nothing but mush.

The mush was as tasty as tasty could be,
And early next summer it grew to a tree.

The tree was all covered with beautiful moss
It grew great big meatballs and tomato sauce.

So if you eat spaghetti all covered with cheese,
Hold on to your meatball and don't ever sneeze.

A poster for Rotary International's April Designation Month. The poster features a black and white photograph of a young child being held by an adult. The Rotary International logo is in the top right corner. The text on the poster includes:

APRIL DESIGNATION IS

MATERNAL AND CHILD HEALTH MONTH

"What is the value of the life of one child saved? No one will ever know, but if the child were our own, the price tag would be marked: Not for sale - this life is invaluable." 1979-80 James L. Bomar Jr
