# Song of the Week: This Land is Your Land

This land is your land, this land is my land,  
from California to the New York Island. From  
the Redwood Forest to the Gulf Stream  
waters. This land was made for you and me

As I went walking that ribbon of highway, I  
saw above me that endless skyway.  
I saw below me that golden valley.  
This land was made for you and me.

I roamed and rambled, and I followed my  
footsteps to the sparkling sands of her  
diamond deserts. All around me, a voice was  
sounding, This land was made for you and me

There was a big, high wall there that tried to  
stop me. A sign was painted said "Private  
Property" But on the backside, it didn't say  
nothing. This land was made for you and me .

When the sun come shining, then I was  
strolling. and the wheat fields waving, and the  
dust clouds rolling. The voice was chanting as  
the fog was lifting. This land was made for you  
and me .

This land is your land, this land is my land  
From California to the New York  
Island. From the Redwood Forest to the Gulf  
Stream waters  
This land was made for you and me

A vertical poster for Maternal and Child Health Month. On the left, the text 'APRIL DESIGNATION IS' is written vertically in blue. The main image is a black and white photograph of a young child being held by an adult. In the top right corner, there is a large yellow Rotary International gear logo. Below the photo, the text 'MATERNAL AND CHILD HEALTH MONTH' is written in large, bold, yellow and white letters. A quote in white text on a dark background reads: "What is the value of the life of one child saved? No one will ever know, but if the child were our own, the price tag would be marked: Not for sale - this life is invaluable." followed by "1979-80 James L. Bomar Jr". At the bottom left, the word 'Rotary' is written in white next to a small yellow gear logo. At the bottom right, the text 'TAKE ACTION: Join a Project' is written in white.

Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes.
