Together we see a world where people unite and take action to create lasting change across the globe, in our communities, and in ourselves.

Song of the Week: This Land is Your Land

This land is your land, this land is my land, from
California to the New York Island. From the
Redwood Forest to the Gulf Stream waters. This
land was made for you and me.

As I went walking that ribbon of highway, I saw
above me that endless skyway.
I saw below me that golden valley.
This land was made for you and me.

I roamed and rambled, and I followed my
footsteps to the sparkling sands of her diamond
deserts. All around me, a voice was sounding
This land was made for you and me.

There was a big, high wall there that tried to stop
me. A sign was painted said "Private Property"
But on the backside, it didn't say nothing
This land was made for you and me.

When the sun come shining, then I was strolling.
and the wheat fields waving, and the dust clouds
rolling. The voice was chanting as the fog was
lifting. This land was made for you and me.

This land is your land, this land is my land
From California to the New York Island. From
the Redwood Forest to the Gulf Stream waters
This land was made for you and me.

While Rotary's young leaders are worth celebrating every month, May offers an exciting opportunity to highlight the leadership development and service impacts of the more than 350,000 young leaders who participate in Rotary International's youth programs each year.
