Program: Frank Reed Tykes Need Bikes

Frank Reed Tykes Need Bikes

My family and I live in Spring. I am a father of three wonderful children and happily married to Tracy, my wife. My family and I are active in our church and serve in several capacities. I am also the founder of Tykes Need Bikes, a 501c3 nonprofit charity organization formed to provide bicycles to Houston area disadvantaged children.

Professionally I am the Sales/Marketing Director for SERVPRO's Houston Area Disaster Recovery Team. Currently serving on The C.A.R.E.S. committee for The Woodlands Chamber of Commerce and am a member of The Houston Traffic Safety Coalition formed by The Texas Department of Transportation. In addition to having served in The Texas Air National Guard, I have also attended Thayer Leadership Academy at West Point Military Academy and attended Southern Illinois University. I also hold certifications in Disaster Remediation, Active Shooter Response with the U.S. Dept of Homeland Security, as well as Emergency Communications, and Diversity Awareness during disaster with the Federal Emergency Management Agency.

April is Maternal and Child Health Month

Maternal & Child Health

Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, Rotary provides immunizations and antibiotics to babies, improves access to essential medical services, and supports trained health care providers for mothers and their children.

Rotary's projects ensure sustainability by empowering the local community to take ownership of health care training programs. Maternal and Child Health Care is also recognized as one of Rotary's Six Areas of Focus.
