

# Rotary on the Hill Fundraiser 2016

In an effort to continue with our local projects such as Safety Town, the Dictionary Project, Academic Olympics and other events our Club hosts, we are planning a fundraising event that will coincide with the 2016 Hot Pepper Festival. Event planning is well underway and we need your help to make this a success! We are seeking sponsorship of this event, which is a great opportunity for some marketing exposure for your business!

We will be located in the heart of the Hot Pepper festival action in the Hollow in Old Town Palestine. We want to have an event that all ages can enjoy to promote Rotary and enable our club to raise funds to complete our local service projects for the year.
