Being a **Rotarian** means to be actively involved in the activities and service projects of one's club. ... **Rotarians** demonstrate the strength of their commitment to Rotary by the service they render to their club, and through their club to the community, and then through the Rotary Foundation to people throughout the world.

PALESTINE ROTARY CLUB HISTORY, contd

In 1948, the club inaugurated its very successful *Rotary Jersey Calf Project* helping to interest farmers in dairying rather than raising cotton. A registered Jersey calf was given away to start a milk herd with the stipulation the first heifer calf was returned to the "heifer pool" and given to another farmer. The original investment on the project was \$6,000.

TODAY'S PROGRAM — John Lamb

John Lamb is a former just-about-everything: retired teacher, former actor, former pizza chef, former house cleaner, former radio DJ, former clown/mime, former pace-maker maker, etc., etc. He was also a member of this Rotary Club, and was a Rotary Group Study Exchange traveler to Finland. He retired from education a few years ago, he now lives off of his wife's labors while living the high life as the owner/manager/maintenance-man of a 139 year old building abutting the Hollow in Old Town Palestine — *The Nickel Manor*. An exceedingly over-serious person, he is sometimes called upon to either pacify crowds into sleeping or fertilize rose bushes with his version of history. He often describes himself as a raconteur, which generally means he talks too much; so someone get the hook ready for Wednesday's talk. (Possibly a very good day to start day-drinking.) His wife of 42 years, Kathy Lamb, is an amazing artist, yoga instructor, and medical office worker. She's also the pretty one and the smart one...and yet, she married him. Go figure!
