Rotary 

Through the years, Rotary has carried out thousands of projects to protect the environment. In just the last five years, we've allocated \$18 million to projects that help our planet. Members have even more opportunities to focus on issues that are important to them, now that the environment is one of the causes we focus on.

Here are ways Rotary members are already supporting the environment.

- Recycling
- Solar Lighting
- Water diversion
- Water Conservation
- Sustainable Farming
- Eco-Stoves
