**Above and right,** Rotarians listen intently as Tom Manskey (left) gives his classification talk and an update on the PEDC during last week's rotary luncheon.

Humans as a whole need to know things about one another... Things that are sad and things that are happy. A recent death in the community made many aware that we would like to know our fellow rotarians better. Things like when children are born, grandchildren are born, kids graduate, get married, GET A JOB!!, when a Rotarian or a Rotarian spouse gets a promotion, gets a new job, is recognized by their professional association, etc – all the things that normally happen to people. We can be a closer, more cohesive unit, if we know each other on a more personal level. These are things that could be shared through Roto-Views if known in advance.

Let's get our "news" to Jake so that it can be shared weekly in our Roto-View.

## **Amazing Grace**

Amazing Grace, how sweet the sound,  
That saved a wretch like me.  
I once was lost but now I'm found,  
Was blind, but now, I see.

T'was Grace that taught,  
my heart to fear.  
And Grace, my fears relieved.  
How precious did that Grace appear,  
the hour I first believed.
