It Happend Last Week

After **President Mike** gave an overview of the topic, he introduced **Brenda Beazley**, who introduced our speaker, **Dixie Dorsett**, who gave us details of the recent developments in the use of acupuncture in treating cancer. **Mrs. Dorsett** brought us an enthusiastic, educated, and unflinching look at the practice of acupuncture in the United States. She has recently attended a **Training Seminar** at **M. D. Anderson** which included the successful use of acupuncture as an adjunct to *Western Medical* protocol. Though no one claims to understand just how the acupuncture process works, the bottom line is that it *does* work—it *does* alleviate pain and discomfort. It is now part of the palliative process used in controlling some of the side effects of cancer treatment—from Chemotherapy to radiation.

☉ President Mike announced that in the weight-loss marathon in our club, that he has placed third out of the group of three contestants.

☉ Martha Paxton won our drawing.

FOUR WAY TEST

Is it the *TRUTH*?
Is it *FAIR* to all concerned?
Will it build *GOODWILL* and *BETTER FRIENDSHIPS*?
Will it be *BENEFICIAL* to all concerned?

August is Membership Month

Dear Rotary Club Leaders:

I hope that you are preparing to attend our District's Foundation and Membership Seminar on September 15th. Governor Brenda provided details of it in her latest Governor's Update on Monday. We are asking Presidents, Presidents-Elect, Membership Chairs and any interested Rotarian to attend.

We will roll out the IGNITE program at the seminar, though we hope that you are already working on membership. As **August is Membership Month**, I encourage all Rotarians to bring a guest to the club meeting each week. You may bring the same guest each week this month if you like. Your guests should be community leaders that you believe will make good Rotarians. Specifically, they should possess the following qualities: Be service-minded; Are available to attend meeting; Can afford Rotary dues; Can benefit from fellowship; Can commit time for projects and can articulate motivation. Let Rotary fellowship, service projects, and a myriad of programs do the talking for you.

I am looking forward to hearing about the new members you have inducted at the seminar.
PDG Rose Austin, Membership Chair

Around Town

PALESTINE DAILY HERALD
January 5, 1929

The Palestine Lignite Company has sold to the Palestine Salt and Cold Company its mine property located near the salt works, effective Jan 1.

The Palestine Salt & Coal Company will operate the property to produce lignite for use at the salt works plant, it is said.

The mine was developed in 1928 by the Palestine Lignite Company, under the direction of John A. Grant, manager and mining engineer. The mine is well constructed and is equipped with good machinery, and is pronounced one of the best small mines in the state, with a daily capacity of 250 tons, but on account of market conditions, the output is now 100 to 150 tons daily.

DID YOU KNOW...

The club has been bringing high school students to the club meeting for more than seventy years, beginning in the late 1930s, and continuing today. Originally the program brought one or two students from the Palestine High School to a month of meetings. Today, the club sponsors a total of seven students a month, two each from Palestine, Westwood, Elkhart, and one from Oakwood. The young men and women who attend our meetings are asked, on the final Wednesday of the month, to say a few words about themselves, their future plans, and their concept of Rotary.
