## It Happend Last Week

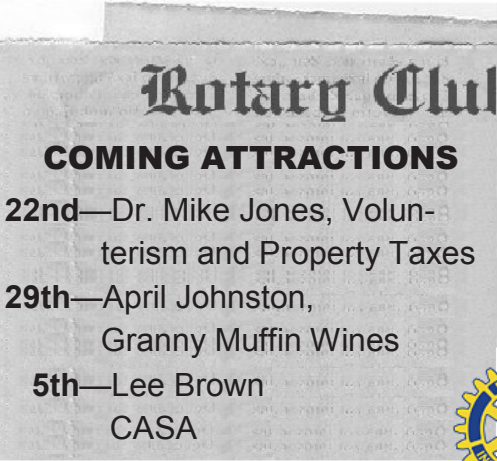

**GSE Team Leader Roschelle Springfield** told us of the incredible weeks she spent with her team in Italy, where Rotary meetings frequently begin late, and end even later. But the camaraderie and the love for Rotary is so strong among the Italians, that the meetings seemed short.

Roschelle said that the team was treated like "Royalty," with Italian Rotarians ever-present to help and aid them throughout their stay. She told the club that she was ready, at this instant, to pack her bags and return to Italy, and that it was one of the highlights of her life. Makes us all proud to be Rotarians, and helps us to understand the impact of these GSE teams on international relations. With Rotary goals always revolving around peace and understanding, clearly these GSE teams are an integral part of the equation. President Mike announced that in the weight-loss marathon in our club, that he has placed third out of the group of three contestants.

Elizabeth Saegert became the newest Paul Harris Fellow of our club. Congratulations Liz.

President Mike asked for approval of the proposed budget for this year, which the club handily approved.

### LAMAR SCHOOL VISITED LAST NIGHT BY MANY

Visited by hundreds of pupils and patrons of the Palestine public schools, the new six-room Lamar School Building was formally opened to the public Thursday night.

Visitors at the building were received by reception committees composed of officials of Lamar PTA, teachers, and others. The building a brick structure of one story, embodies the most modern ideas and features of public school facilities.

**"You Are My Sunshine"**

You are my sunshine, my only sunshine  
You make me happy, when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away.

The other night dear,  
As I lay sleeping.  
I dreamt' I held you in my arms.  
When I awoke dear, I was mistaken  
So I hung my head down and cried.

### ROTARY CLUB HEARD SUPERINTENDENT GILL

The Rotary Club held a splendid meeting today at the noon hour, and the interest was fine in the proceedings.

President Greenwood announced the receipt of a communication concerning the opportunity to have Prof. Axton of the Rice Institute come here for a lecture and on motion a committee was appointed to take the matter up and extend an invitation to the gentleman to come. The president appointed H. I. Myers, C. S. Bratton, and H. C. Jameson as the committee.

Superintendent Gill of the city schools was the speaker of the hour and made a most impressive talk on the matter of a new high school and better school buildings and equipment. He covered the subject as best he could in the brief time given him, and insisted

that the business people should get behind a movement to have erected a new high school. At the conclusion of his talk, President Greenwood assured him that the Rotary members were ready to cooperate with him and the school board in any way possible to bring about better school conditions, and in securing a new high school building.

After adjournment, President Pearlstone of the Redlands Hotel Company invited the entire body to go with him on a tour or inspection of the new hotel, and many accepted the invitation.

Note:The new high school in Reagan Park, was dedicated on July 20, 1916]
