GILA MONSTER FOUND

Workmen in moving some old timber at a home on the South side Tuesday afternoon uncovered a gila monster, It was a baby but the rest of the family must be around somewhere. Several of these lizard reptiles have been captured in this city in the last few years. Some twelve or more years ago a cage of these reptiles escaped from a carnival showing here, and it is supposed these later specimens are descendants of the carnival family.

Countdown
278 days

It Happend Last Week

“Volunteerism and Property Taxes” –a seemingly unlikely pairing of topics were shown to be related by Texas House Bill 51. Last week’s speaker, Dr. Mike Jones, veterinarian from Glen Rose, A&M ’79, and former candidate for Texas House of Representatives, brought to our attention a little known piece of legisla-

tion, effective since 1999. House Bill 51 provides methods for homeowners age 65 and older to work (volunteer) for a taxing entity in lieu of paying their property taxes. A contract must be executed between the homeowner and the taxing unit. Credit for each hour of “volunteer” service is credited at the federal minimum wage rate.

A school district may authorize a corporation or other business entity to permit its qualified employees to perform teaching services in a junior high or senior high school in lieu of paying school taxes imposed against the business.

FOUR WAY TEST

Is it the *TRUTH*?

Is it *FAIR* to all concerned?

Will it build *GOODWILL* and *BETTER FRIENDSHIPS*?

Will it be *BENEFICIAL* to all concerned?

Rotary Members To Make Inspection

The members of the Rotary Club will be guests of the Texas Power & Light Company this evening. The members will meet at the Redlands at 7:30 and go from there via auto to the big light plant, where an inspection tour will be made. It is certain that the majority of the members and the business people generally have little knowledge of the extent of this big plant, and the Rotarians will be shown. After the inspection of the plant, the guests will form a theatre party.

[Note: Texas Power & Light is precursor to ONCOR. Remnants of plant remain on Reagan Street]
