# Cautious optimism for Nigeria's milestone

Rotary has been a leader in the fight to eradicate polio since 1985, when it launched the first global initiative to immunize the world's children against polio: its flagship PolioPlus program. The organization has donated more than \$1.4 billion to end polio. Nigeria's last polio case occurred on July 24, 2014, in southern Kano state, and the continent of Africa has not seen a polio case since August 11, 2014. The World Health Organization (WHO) may soon remove Nigeria from the list of polio endemic countries. When Nigeria and every country in Africa go three years without a case of polio, WHO will certify the region as polio-free. Most recently, WHO declared India and its Southeast Asia region polio-free in 2014. In June, Rotary announced \$19 million

in grants for continued polio eradication activities in Africa, including nearly \$10 million for Nigeria. Over the past thirty years, the organization has given \$688.5 million for polio eradication throughout Africa, and \$207.4 million for Nigeria. "Rotary's 1.2 million members around the world – including the 6,890 in Nigeria – have played an important role in this progress. Rotary has worked with partners to successfully pioneer unique and innovative solutions to the challenges facing polio eradication in Nigeria," said Dr. Tunji Funsho, Rotary's National PolioPlus Committee chair for Nigeria. "However, it is too soon to celebrate. The world needs to keep polio eradication a high priority to ensure the disease does not return within our borders."

## America the Beautiful

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountains majesties,  
Above the fruited plain!

America! America!

God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea!

O beautiful for patriot dream,  
That sees beyond the years,  
Thine alabaster cities gleam,  
Undimmed by human tears!

America! America!

God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea!
