It Happened Last Week

President Mike reminded us that we are all shaped by the people and events in our early years—and perhaps even our later years. Some—like **James Bogan** in Mike's life—stand out as providing some special wisdom that seems to change our life, and continues to shape us year after year. Great talk, Mike, and obviously from the heart.

Rotary International President Sakuji Tanaka

In December, I spoke at the first of the three Rotary Global Peace Forums we have planned for this Rotary year. This first event, with the theme "Peace Without Borders," was held in Berlin, the home of the Berlin Peace Clock. In Rotary, we do not divide our work by nation, culture, or language. It does not matter what is printed in your passport. What matters is that you believe in Service Above Self. But even in Rotary, it is easy to think in terms of countries or communities. Sometimes we think of different types of borders. This project, we think, helps the young. This helps the elderly. This helps people who are hungry, poor, or sick, or who have disabilities. The truth is that Service Above Self does not know such borders. When we serve, the impact is not limited to our community, or the community we are helping. When we put Service Above Self, we are making a choice. We are choosing to put other people's needs ahead of our own desires. We are saying, "Your problems are my problems, and I care enough to help you." *Peace Through Service* brings out the best in us. It makes us aware of the borders we set up around ourselves – and it helps us tear them down.

ROTARIANS, FRIENDS HAD A GREAT NIGHT

Yes it was a great night and a great festivity, with a splendid dinner, lots of pep, some good stunts, music, talks, and hurrahs. the setting for this Rotary open night was Spring Park, which by the way, has been greatly improved and made a delightful playground, and the occasion was a compliment to the **Church and Community Orchestra**, an organization that is composed of musicians, and which is putting over some good music—as good as ever heard here by local talent. And this saying a lot because Palestine has had some prize winning bands.

Cars were provided for the members of the orchestra and they were carried out to this delightful park where them a large company and a jazz band—the LaBarge Orchestra. The orchestra members being entertained were at once given to understand that this was one occasion on which they were not expected to do all the work, but that in truth they were the honor guests of the occasion. the best places at table were provided for them, the best eats, and all the courtesies. After the dinner and after the usual Rotary stunts and pleasantries, the honorees were requested to play a number, which they did to the delight of all, and then an encore, which was loudly called for.

This community orchestra has performed without remuneration for public occasions, such as the community sings, church entertainments, and other community activities. Can you do all the members can do individually and collectively, for the advancement and entertainment of the community. And it this spirit that is creating here a new community feeling, and is building for a better citizenship. Rotary, whose motto is "He profits most who serves best," recognizes in this orchestra the living spirit of Rotary, and therefore it delights to honor those who are responsible for the organization.

Let me call you "Sweetheart,"
 I'm in love with you
 Let me hear you whisper
 That you love me too.
 Keep the love-light glowing
 In your eyes so true
 Let me call you "Sweetheart,"
 I'm in love with you.
