Back in the day when dinosaurs roamed the earth and Hugh Summers was only a teenager, Rotary was a different sort of animal too. When I became a member in 1994, there was only one female in the Palestine Rotary, Sandy Couch Hanson of Jacksonville Saving & Loan. Being the observational sort, I could not help but notice this odd imbalance. Turns out, the Rotary Club had been male only since inception back in that stone age year of nineteen aught five, and the policy was not changed until 1989, five years before the monotonous arrival of yet another male, me. I studied up on this imbalance and learned that Dorothy Clary, wife of Ken Clary of Bratz Tire fame, had been the very first female member of our local club, a couple of years after Rotary changed all the rules. Look around you today and count how many women are members now. It's quite a change, and a change for the better, I am glad to report. And, Hugh Summers is still a teenager.

## Rotary Town

Oh, give me a town,  
Where there's never a frown.  
But a Rotary spirit supreme.  
Where the PEOPLE are known,  
By their first names alone,  
And where friendship  
is no idle dream.  
Oh, Rotary town,  
Where Rotary  
leads all the way.
