PALESTINE DAILY HERALD Wednesday Evening, April 7, 1917

THE ROTARIANS HEAD A PATRIOTIC MOVE

The Rotary Club is arranging to have a big American flag put up on the bungalow lawn, or the YMCA grounds. They will put up an iron pipe in a concrete foundation, with a standard American bunting flag. The pole will be one hundred feet high and the flag will be about twenty feet long. The construction will be of the very best as the pole is expected to stay there permanently. The cost will be over \$100.00.

The Daughters of the American Revolution of Palestine have generously offered to donate the flag and the Texas Power & Light Company and the Palestine Telephone Company have generously offered to put up the pole

Now it is in order for all the patriotic citizens to help on the cash expense, so let us come forward with fifty cents or a dollar each and put the flag up at once. The E. M. Price cigar store will receive the money. Here's ours.

It Happend Last Week

Dr. John Thornton, Interim Athletic Director for Texas A & M, brought the club an informative, entertaining, and positively enthralling presentation of his career in athletics and particularly his time at College Station.

Dr. Thornton has Palestine roots, with several members of his family graduating from Palestine High School, and he, himself, remembering visits here to the old gymnasium in the original Davy Crockett High School on Avenue A. He briefly coached the Athens Basketball program, and brought his team to Palestine in a memorable tournament.

Dr. Thornton is forthright in his evaluation of the current state of student athletics in our nation, and the continuing impact of money on those programs. However, he is not critical of that force so much as providing us an understanding of its necessity if these large institutions are going to continue to have gigantic athletic programs. He states that the income from the football and men's basketball programs provides essentially all of the funding for all other athletic programs. Impressive statistic.

And that being a student athlete these days is a full-time year-round job, requiring serious devotion to the sport and conditioning. Great talk and hope he can return and tell us of the first year under SEC.

Our District Governor, **Brenda Walker**, will pay her official visit to her home club on August 1. We will be hosting the Governor with a reception and dinner on the evening before, July 31st, as we normally do for the official visit of all District Governors. But this one is special—she is one of us. Make plans to attend.

DID YOU KNOW....

At the time of its organization in 1913, the Palestine Club was the 75th Rotary Club, world-wide, and the 8th club in Texas. It was also the smallest city in Texas to form a club, and probably the smallest city in all of Rotary at that time. Today, there are more than 34,000 Rotary Clubs, worldwide.
