## Current Events

### GSE TRIP

Our district will have a Group Study Exchange with Rotary District 9980, located in the southern half of the South Island of New Zealand, widely thought to be one of the most beautiful places on Earth. The exchange trip will be May 7 through June 6, 2015.

Truly, this is an experience of a lifetime. No exaggeration - - just fact. It's an opportunity to see a beautiful and interesting country in a most unique way. During the trip you live in the homes of Rotarians, and only occasionally in a hotel. They show you their country in a way that no tour can offer. You experience where they live, work, and play, and see the sights that are special to them. It costs you almost nothing. Our district pays for roundtrip air fare. The host district pays for the rest.

## This Land is Your Land

This land is your land,  
This land is my land,  
From California  
To the New York island,  
From the redwood forest,  
To the Gulf stream waters,  
This land was made for you and me.
