YOU ARE MY SUNSHINE

You are my sunshine, my only sunshine
You make me happy, when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away.

The other night dear, as I lay sleeping
I dreamt' I held you in my arms.
When I awoke dear, I was mistaken
So I hung my head down and cried.

The New York Times has published a major front-page story about the polio eradication effort in Pakistan, one of three remaining polio-endemic countries. The article highlights Rotary's leadership role, focusing on the contributions of Pakistani Rotarians, led by National PolioPlus Committee Chair Aziz Memon. Rotarians are portrayed as dedicated and courageous front-line volunteers, despite sometimes facing personal risks. The story also mentions International PolioPlus Committee Chair Robert Scott's trip to Pakistan in March.

While the story discusses recent setbacks and challenges in Pakistan's efforts to eradicate polio, the overall tone is cautiously optimistic.

Another recent story in The Wall Street Journal reported on the extension of the partnership between Rotary and the Bill & Melinda Gates Foundation in support of polio eradication. These articles are the latest in a series of major international stories about Rotary and polio eradication in the past 18 months by BBC TV, The Economist, Time magazine, and other influential media outlets.

This top tier media coverage enhances the work of the Global Polio Eradication Initiative by raising the public awareness and support that are crucial as Rotary and its partners implement the endgame strategic plan to achieve our goal of a polio-free world.
