This Land Is Your Land

This land is your land,
This land is my land,
From California
To the New York island,
From the redwood forest,
To the Gulf stream waters,
This land was made for you and me.

As I was walking,
That ribbon of highway,
I saw above me
That endless skyway,
I saw below me
That golden valley.
This land was made for you and me!

Humans as a whole need to know things about one another... Things that are sad and things that are happy. A recent death in the community made many aware that we would like to know our fellow rotarians better. Things like when children are born, grandchildren are born, kids graduate, get married, GET A JOB!!, when a Rotarian or a Rotarian spouse gets a promotion, gets a new job, is recognized by their professional association, etc – all the things that normally happen to people. We can be a closer, more cohesive unit, if we know each other on a more personal level. These are things that could be shared through Roto-Views if known in advance. Let's get our "news" to Jake so that it can be shared weekly in our Roto-View.
