Rotarian Happenings

One World Play Project

It started with a simple concept: A ball. We created an ultra-durable ball to bring the transformative power of play to the hundreds of millions of youth who don't even have something as simple as a ball.

In 2010, One World Futbol Project was founded as a B Corporation. With the help of our Founding Sponsor Chevrolet, our global network of giving partners and our Buy One, Give One customers, we have distributed over 1 million balls to communities around the world.

The One World Futbol was just the beginning. The impact of our efforts showed us that the need for play was something much greater. We discovered play's critical role in the lives of people all over the world—and where play can take us all tomorrow.

Play is in our DNA—a need as important as food, medicine and shelter. It's an intrinsic part of our lives, regardless of geography or culture, and through play we become stronger individuals, build better communities and create a more positive future.

Today, we are changing the game and our name by expanding our mission, products and services to enable play in all its forms—anywhere and everywhere.

We are now One World Play Project.

Join us and together, we will turn the world into a field of play.

Campaigns are a great way to get One World Futbols to disadvantaged communities and create a positive change in our world.

Through our Buy One, Give One and Give Balls programs, we give ultra-durable One World Futbols to organizations, schools and others working with youth in refugee camps, war zones, disaster areas and inner cities, to name a few. The fierce July sun beat down on us as we approached the field where the match was to take place. It wasn't much of a soccer pitch, with its uneven terrain and rusty poles for goalposts, but the local teens we had met came ready to play. They guided us over the piles of bricks and broken tiles that separate their neighborhood community center from the field behind it and took their positions.

Much like any schoolyard competitors, incursions from grazing cows notwithstanding, players stretched and warmed up, took turns retrieving out-of-bounds balls, and, after the final goal, lined up to exchange high-fives. The Vietnamese contingent handily outscored our group of **American Rotary** volunteers, but the defeat was far from bitter. **The five Rotarians, four Interactors, and two 20-something alumni of Rotary Youth Leadership Awards had already achieved what they had come to Vietnam to do:** distribute durable soccer balls to promote play and to spread Rotary's message of service and goodwill. This Land Is Your Land

This land is your land,
This land is my land,
From California
To the New York island,
From the redwood forest,
To the Gulf stream waters,
This land was made for you and me.

As I was walking,
That ribbon of highway,
I saw above me
That endless skyway,
I saw below me
That golden valley,
This land was made for you and me.
