SONG OF THE DAY

"Palestine Rotary Song"

Our purpose is serving our neighbor
 A duty we proudly partake
 We all aim to better our brother
 Before we promote our own sake
 Deep in the heart of East Texas
 Preserved are the values we heed
 Of honesty, fairness and goodwill awareness
 We're the Palestine Rotary.

What Happened Last Week

LAST WEEK'S PROGRAM

Willi Buhl was introduced by Carol Herrington. Willi told us that Carol's job was to insure that he (Willi) stayed on schedule. Carol was close.

Willie spoke to the club about worldwide traditions and their origins. He divided these into three categories: Food & Drink, Sports & Play, and Music & Song.

Willi's talk ranged from the origins of Bar-be-Que to wine-drinking (which he approves) to Louis (Satchmo) Armstrong. Thanks, Willi.

ROTARY INTERNATIONAL

Weekly Update: Rotary collaborates with others for clean water

A change is taking place in the way Rotarians approach water and sanitation programs.

We realize that the challenge of meeting the Millennium Development Goals is something that no organization can achieve on its own; not even Rotary with its 33,000 clubs and over 1.2 million members. To be successful we need leverage, the leverage that comes from collaboration with others who share our goals.

The most notable example of this is the International H2O Collaboration, an alliance between Rotary International and USAID. Rotary clubs in Ghana, the Dominican Republic, and the Philippines are working together to bring safe water and sanitation to hundreds of communities and schools.

There are many other examples, less publicized but equally effective. In Uganda, a very successful relationship between World Vision and the Rotary club of Gulu is improving the lives of up to 50,000 villagers through a joint bore-hole and behavior change program. The World Vision project leader says "having local Rotarians explain the importance of hygiene and handwashing is much more compelling than when presented by visiting experts from outside the country." As water, sanitation, and hygiene programs become more complex it is unlikely that any Rotary club has the range of resources and skills to ensure a sustainable program. Success depends increasingly on collaboration with organizations having complementary resources, funding, technology, local contacts, knowledge of the culture, and expertise. Reaching out is essential if Rotary is to take its rightful place at the humanitarian table.
