### What Happened Last Week

#### LAST WEEK'S PROGRAM

**Dr. H. Sprague Traveau** of the **Central Texas Wound Healing Associates**, in an illuminating and instructive presentation, told us of our own **Wound Center** here at **Palestine Regional Medical Center**, and gave us graphic illustrations of the almost magical work they are able to do through the use of **Hyperbaric Oxygen Treatments**.

While we each hope that we will not find ourselves or our loved ones in need of this highly technical service, we take great comfort in knowing that it is available to us **right here** at home.

#### APRIL JR. ROTARIANS

Our student guests always make us proud when they tell us of their month with the club. And we are always astonished at the level and range of their accomplishments. Look out world!

## ROTARY INTERNATIONAL

### Weekly Update: *Maternal Health*

A bright pink Jeep Wrangler, staffed with four midwives, races along uneven, dusty roads to reach more than 50 pregnant women in Darlegrand, a rural town two hours north of Hinche, Haiti.

The Jeep belongs to Midwives for Haiti, a nonprofit organization working to ensure that women in remote parts of the country have access to prenatal care and skilled birth attendants. The off-road vehicle allows the midwives to reach some of Haiti's most remote villages, says Brunk. "I believe Midwives for Haiti can expand so that every woman can have access to a skilled birth attendant."

Rotarians around the world are working to reduce maternal mortality rates and improve access to essential medical services for mothers and their children. Maternal and child health is one of Rotary's areas of focus.

### SONG OF THE DAY "Rotary Town"

Oh, give me a town,  
Where there's never a frown.  
But a Rotary spirit supreme.  
Where the PEOPLE are known,  
By their first names alone,  
And where friendship is no idle dream.  
Oh, Rotary town,  
where Rotary leads all the way.  
We meet every week,  
plans of good will to seek.  
May our influence spread every day!
