Humans as a whole need to know things about one another... Things that are sad and things that are happy. A recent death in the community made many aware that we would like to know our fellow rotarians better. Things like when children are born, grandchildren are born, kids graduate, get married, GET A JOB!!, when a Rotarian or a Rotarian spouse gets a promotion, gets a new job, is recognized by their professional association, etc – all the things that normally happen to people. We can be a closer, more cohesive unit, if we know each other on a more personal level. These are things that could be shared through Roto-Views if known in advance. Let's get our "news" to Jake so that it can be shared weekly in our Roto-View. Email such events to [jmienk@palestineherald.com](mailto:jmienk@palestineherald.com) for placement.

# Rotarian Happenings

**Above**, Dr. Rodney H. Mabry, right, President of the University of Texas at Tyler was our guest speaker last week. He is shown visiting with UT Tyler supporter David Barnard. **Right**, Rotarian Kurt Herrington rose to the challenge when a call for help came from Service Director Jordan Byrd. Kurt rounded up friends from work and assisted with the disaster relief efforts on Timber Drive. Thanks for living the Rotary Motto "Service Above Self". Pictured l-r: Kurt Herrington, Larry Trahan, Hunter Warren and Jason Chaffins.

## FYI: May is

**Above**, Our newest Rotarian John Lamb gave a humorous account of his life for his classification talk.

## God Bless America

God bless America, land that I love,  
Stand beside her and guide her  
through the night with a light from above.  
From the mountains to the prairies,  
to the oceans white with foam.  
God bless America, my home sweet home.
