JULY—Maternal & Child Health Month

What Is your Rotary Club doing to focus on Maternal and Child Health in July 2024?

Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained healthcare providers for mothers and their children. Your Rotary projects ensure sustainability by empowering the local community to take ownership of healthcare training programs.

Through grants from The Rotary Foundation, Rotarians improve access to essential medical services for mothers and their children. These efforts are aimed at reducing the number of children under age five who die each year because of malnutrition, inadequate health care, and poor sanitation – a figure that is currently estimated at 7 million.

According to another estimate, more than 80 percent of maternal deaths can be prevented with access to reproductive health services and trained health care workers. Rotarians provide education, immunizations, birthing kits, and mobile health clinics to support these causes. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

Essentials**

Why Always Wear Rotary Pin?

Rotary members are strongly encouraged to wear their pin on third lapel for several reasons.

Firstly, the pin serves as a visible symbol of their commitment to the values and mission of Rotary International, which includes promoting peace, fighting disease, providing clean water, a supporting education, and fostering community development.

Wearing the pin helps to create a sense of united and belonging among members, reinforcing their shared identity and purpose.

Additionally, the pin acts as a conversation starter, enabling members to easily recognize each other and facilitating networking opportunities.

It also raises public awareness about Rotary's presence and activities potentially attracting new members and support for their initiatives.

By wearing the pin, members demonstrate pride in their association with Rotary and their dedication to making a positive impact in their communities and the world at large.

ROTARY CLUB OF PALESTINE FOUNDED JUNE 1913
