TODAY'S PROGRAM

Dr. Julie Philley—U T Tyler President

On June 1, 2024, Julie V. Philley, MD became the sixth president of The University of Texas at Tyler and the first woman to lead the university.

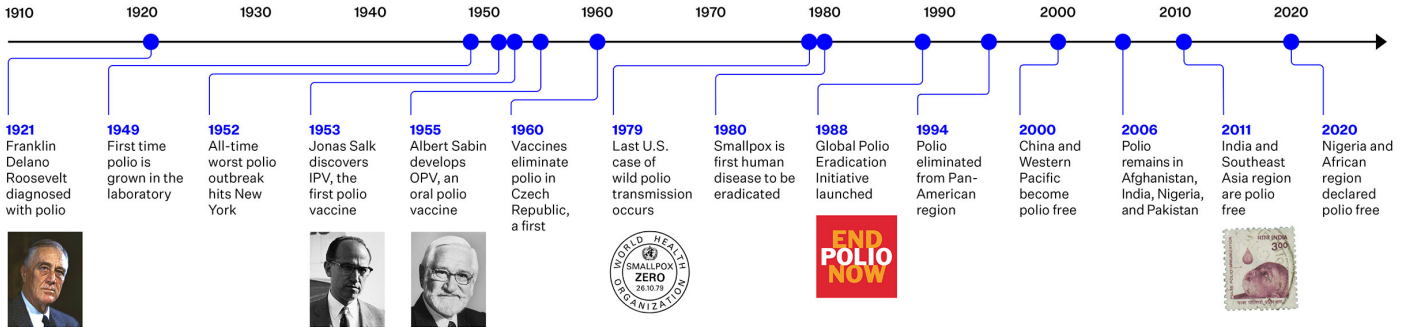

A Professor of Medicine and board certified in internal, pulmonary and critical care medicine, Dr. Philley served as UT Tyler's Executive Vice President for Health Affairs following the 2021 merger of UT Tyler and the UT Health Science Center at Tyler, which created a single, integrated university. She also served as Vice Provost from 2022 until she was appointed President. Dr. Philley played an instrumental role in launching the UT Tyler School of Medicine — the UT System's seventh medical school, which welcomed its first cohort in 2023. Previously, she was Chair of the Department of Medicine and Professor of Medicine at the UT Health Science Center at Tyler.

A native of East Texas, Dr. Philley was raised in Overton. She returned to the region in 2012, serving as Assistant Professor of Medicine at the UT Health Science Center at Tyler, where she continued research efforts in nontuberculous mycobacterial disease and bronchiectasis. An accomplished researcher, Dr. Philley has led numerous studies and published book chapters and articles. She earned a bachelor's degree from Texas Woman's University and her MD at UT Health Houston's McGovern Medical School, completing an internal medicine residency program at Johns Hopkins

Timeline of Polio Eradication

RI PRESIDENT MESSAGE October 2024

With World Polio Day on 24 October, I'm proudly rooting for Rotary as we team up around the world to End Polio Now.

The Rotary world was heartbroken to learn about the tragic passing in August of Aidan O'Leary, director for polio eradication at the World Health Organization. I knew Aidan and worked with him directly. He was a tireless advocate in the fight against polio and a kind, genuine man. We will remember him both for his advocacy and his warmth.

As people of action, we don't have the luxury of giving in to despair, even in the face of tragedy. The best way to honor Aidan's memory is by teaming up and reaching our goal to End Polio Now.

We made a promise to the children of the world and their families. It is incumbent upon us, together with our global partners, to end this threat once and for all.

There are so many ways we can team up to eradicate polio. You can donate to the End Polio Now campaign, join or initiate a PolioPlus Society in your club or district, or take inspiration from the fundraisers I mentioned above. I encourage Rotary members around the world to continue to seek out new teammates, so that together, we end polio.

Birthday and Anniversaries

- Oct. 16th—Dictionary Distribution—Southside Elementary -
1:15-1:40pm; 1:45-2:10pm; 2:15-2:40pm

Rotary Timeline

- 1943** **The Four Way Test**
Rotary adopts The Four-Way Test, one of the world's most widely printed and quoted statements of business ethics. Herbert J. Taylor, a member of the Rotary Club of Chicago, drafted the test in 1932 to help an aluminum company on the verge of bankruptcy during the Great Depression.
- 1945** **Rotary and the United Nations**
Rotary International seves as a consultant to the U.S. delegation at the United Nations charter conference in San Francisco. Eleven people officially represent Rotary in this capacity. Other members attend as delegates or consultants to their countries.
- 1947** **Paul Harris Dies**
After a prolonged illness, Rotary's founder dies in January. Members contribute more than \$1 million in his memory in the following 18 months. The money is used to support the Foundation's scholarship program.
