History of the Club

On Tuesday evening, June 3rd, 1913, the Rotary Club of Palestine held its first meeting. Some 20 members were present. The group, which had been called together by Harry I Meyers, met at the Interstate dining room in the International Hotel. Myers, a Palestine native, had come back home in 1912 from San Antonio to join members of his family at the Grand Leader Department store. Perhaps he had heard of the Rotary Club organized in 1912 in San Antonio.

Club officers were elected with twenty-nine-year-old Myers as club president. The newspaper article about that meeting states that "the object of the Rotary Club is to promote social relations between business men."

At the time of its organization, the Palestine Club was the 75th Rotary Club, world-wide, and the 8th club in Texas.

President Greg

As we welcome the month of August, Rotary's Membership and Club Development MONTH, I want to take a moment to express my gratitude for each of you.

Your dedication, enthusiasm, and willingness to serve continue to make a meaningful impact in our community and beyond.

August is the perfect time to reflect on what brought us to Rotary - and how we can extend that same invitation to others. Whether it was a desire to give back, a passion for leadership, or the draw of lasting friendships, we each have a Rotary story worth sharing.

Let's challenge ourselves this month to:

- **Strengthen our club** by reaching out to potential new members
- **Reignite connections** with members who may have drifted
- **Recommit to service**, showing the world the power of Rotary in action.

Together, we can grow not only in number, but in strength, unity, and purpose.

Thank you for being part of this incredible journey. Let's make this month one of renewed energy, expanded outreach, and inspired service.

Greg

RI President Message

Francesco Arezzo
Rotary Club Ragusa Italy

August is Membership Month, but our commitment to growth and connection is year-round. When we focus on growing Rotary, we grow our ability to serve, to lead, and to bring lasting change.

Membership growth isn't just about numbers. It's about opening doors. It's about inviting more people who are ready to give their time, talents, and hearts to a cause greater than themselves. When we welcome new members, we bring in fresh ideas and new energy. We expand our impact, strengthen our clubs, and ensure that Rotary continues to evolve with the world around us.

Remember, there is now great flexibility in fashioning nontraditional club models. I'm inspired when I see these innovative clubs thrive by offering new and prospective members more ways to connect and serve.

In Korea, the growth of satellite clubs has created opportunities for nearly 1,000 new members to find their place in Rotary. In Romania, the close collaboration between Rotarians, Rotaractors, and Interactors has built a pipeline of future leaders. In India, some Rotarians gather around a shared interest — whether it's professional development or a passion for service — and those connections deepen their commitment and their joy in being part of Rotary. And we've seen cause-based clubs thrive in regions as diverse as Southeast Asia, Africa, and Europe.

There's a common thread: Where clubs are growing, membership is a priority and there is a willingness to try something new. Rotary is not limited to one structure or tradition. We are a global network of people of action, and that means there is room for many kinds of clubs, many ways to serve, and many paths into our organization.

This spirit of innovation is also guiding our efforts to reach new communities. In places where there has never been a Rotary club — or where a club once existed and faded — Rotarians are finding ways to grow Rotary. They are identifying areas of potential and building clubs that reflect the character and needs of their communities.

Every member plays a part in this journey. Whether you introduce a friend to your club, support a new meeting format, reconnect with program alumni, or simply share your Rotary story, you are helping our organization grow stronger and more vibrant.

No one owns a Rotary club. It is a gift we pass on to the next generation. When we nurture that gift, when we invite others to share in it, we ensure that Rotary continues to be a force for good.

Let's prioritize membership growth — not just in August but every month of the year. Together, through friendship, creativity, and shared purpose, we will grow Rotary and *Unite for Good*.

MEMBERSHIP & CLUB DEVELOPMENT MONTH

August is Membership and New Club Development Month, when Rotary Clubs, around the world focus on membership in Rotary. Does your club have a plan? Are you executing your own plan to invite your friends and business associates to join your Rotary Club?

It's time. Time to celebrate your Rotary club, your members, and the good you do in your community and around the world.....

There are many ways to join in the celebration, but here are a few activities to get you started:

- **Say it loud, say it proud!** Let everyone in your social network know that you are a proud member by changing your Twitter and Facebook profile to the I'm a Proud Member, I'm a Proud Rotaractor, or I am a Proud Interactor graphic. Copy and save the graphic as your profile picture for August.
- **Exchange ideas.** Do you have successful membership strategies that have worked well in your community? Share them on the Membership Best Practices Discussion Group.
- **We Are Rotary.** Using the hashtag #WeAreRotary, post photos to Facebook, Twitter, Instagram, or Vine of your club members at work in your community or abroad to show how Rotary makes a positive impact in the world.
- **Making a difference.** Rotary clubs are known for the high-impact service projects they undertake locally and globally. Share stories about your service projects and how they improve lives on Rotary Showcase. Be sure to follow us on Facebook, Twitter, and Instagram to see what Rotary members around the world are doing to celebrate Membership Month.
- **What does Rotary mean to you?** Rotary members have pushed polio to the brink of eradication, delivered clean water to those in need, improved their local communities, provided scholarships to the next generation of peacemakers, and continued to do good in the world.

Ungsu Roongrujimek or "**MAP**" is 15 years old. He was born Feb 2, 2010. His father works at a petrochemical plant named Pacific Plas (Singapore based). Rotary Foundation

Trustee Chair Message August 2025

When most people join Rotary, they know little, if anything, about The Rotary Foundation.

Membership Month is a great time to highlight the powerful connection between membership and our Foundation.

People who are drawn to Rotary care deeply about their communities and want to make a substantive difference. They're looking for meaningful, hands-on ways to serve — and the Foundation helps make those opportunities possible.

Cause-based Rotary clubs are one exciting way new members are finding purpose in Rotary, and these clubs also bring fresh energy and activity to our Foundation. I invited Marisol Chianello, president of one such club, to share her perspective:

"As a nonprofit attorney, I long believed I didn't have the time to be part of Rotary. But when I heard about a new cause-based e-club — the Rotary Club of Mental Health and Wellness District 5280 — I felt I had to be part of it.

In just three years, our club has done a lot to support mental health needs in Southern California and awarded thousands of dollars in scholarships to graduate students in the field, including one this year to a student in Uganda.

Just a few months ago, we were approved for our first global grant to provide a mix of in-person and digital mental wellness support to survivors of the 2023 earthquakes in southeastern Turkey.

Through our service, we've attracted new members from across the United States, including women and younger members who might not have otherwise joined Rotary. Cause-based clubs like ours offer a meaningful entry point for people committed to a specific cause — backed by the global reach and Foundation support of Rotary."

Marisol's story reminds us what's possible when Rotary service meets Foundation support. I wonder how many cause-based club members knew the full extent of Foundation resources when they began. How many existing clubs could partner with these groups on grants?

As we build new Rotary and Rotaract clubs and welcome new members, let's keep The Rotary Foundation at the forefront. The Foundation enriches the membership experience, supports club growth, and deepens our impact.

The Rotary Foundation is more than just a source of funding; it is an invitation to endless opportunities. It's a living expression of who we are as Rotary. The Foundation, too, can be a vital part of every member's experience when they join us or start a new club.

Holger Knaack
TRF Trustee Chair

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

Welcome New Member

Nicole Duncan, born and raised in Texas. Graduated High School Huntsville High School, Huntsville. I enlisted in the U.S. Coast Guard and stayed for 8.5 years. This is where I met my husband of 27 years. We were stationed in Mobile Alabama and Corpus Christi, TX. We have four children, that are now young adult, and a handsome grandson that is 9 months old.

I earned my associate in arts for natural sciences, pursuing a job in the medical field, while we lived in California, but came back to Texas in 2010. I began working for University of Texas Medical Branch Correctional Managed Care at the Mark W. Michael Unit, where I spent almost 11 years there. As I pursued my bachelor's in religion: Christian Ministry with a minor in Christian Counseling, I made the decision to work in the field that could best coincide with the degree I was earning. This is when I started working for Trinity Valley Community College / TDCJ division. This was direct work with the incarcerated population and helping them achieve their academic goals. Two and a half

years into the position, I was fortunate enough to be able to step into the role as Palestine Campus Director with TVCC. I began this new journey July 1st.

My final question on my interview asked why I would be a good candidate for this position. My response was simple. I have a servant heart and love when others find joy. I have always enjoyed watching people achieve their goals that they might not have thought could be obtained. I am an advocate, and I have the desire for people to succeed. This is why as the Palestine Campus Director. I want the students to believe in themselves just as much as our team believes in them. Growth takes change, but over time I have found that we can enjoy the process more if we remember the 'why' we are growing in the first place. This is what I hope to show others.

Rotary

The Rotarian
Minute History

Club banners

One of Rotary's most vibrant traditions is the exchange of club banners.

These decorative banners, often displayed at meetings and district events, are carried by Rotarians traveling abroad to exchange with other clubs.

Typically, the banners feature symbols or artistic elements that represent the club's town, region, or national culture, including handcrafted touches like embroidery, weaving, or painting.

Many of these banners are considered artworks in their own right.

The tradition grew so popular that, in 1959, the Rotary International Board of Directors advised clubs to exercise moderation, fearing that the exchanges could become financially burdensome.

Despite this, the tradition continues today as a meaningful expression of goodwill and international friendship among Rotary members.

The Rotary archives now hold around 20,000 banners, each one reflecting a club's local pride and the strong global ties of the Rotary organization.

This exchange practice remains a cherished symbol of unity and mutual respect.
