History of the Club

On Tuesday evening, June 3rd, 1913, the Rotary Club of Palestine held its first meeting. Some 20 members were present. The group, which had been called together by Harry I Meyers, met at the Interstate dining room in the International Hotel. Myers, a Palestine native, had come back home in 1912 from San Antonio to join members of his family at the Grand Leader Department store. Perhaps he had heard of the Rotary Club organized in 1912 in San Antonio.

Club officers were elected with twenty-nine-year-old Myers as club president. The newspaper article about that meeting states that "the object of the Rotary Club is to promote social relations between business men."

At the time of its organization, the Palestine Club was the 75th Rotary Club, world-wide, and the 8th club in Texas.

President Greg

This month, Rotary shines a light on one of our most important areas of focus - Basic Education and Literacy. Education is more than learning to read and write; it is the key to unlocking human

potential, breaking the cycle of poverty, and creating lasting peace in our world.

Yet, millions of children and adults still lack access to quality education and the ability to read. Rotary clubs everywhere are working to change this by supporting teachers, providing books and technology, mentoring students, and creating opportunities for lifelong learning. Every act of service in this area helps break the cycle of poverty and opens doors to brighter futures.

This month, let us recommit ourselves to be champions of education. When we nurture learning, we nurture hope, dignity, and opportunity for generations to come.

Together, let's continue to Imagine Rotary as a world where every person has the chance to learn, grow, and thrive.

Greg

RI President Message

Francesco Arezzo

Rotary Club Ragusa Italy

When I stepped into the role of Rotary International president, the moment came swiftly and unexpectedly. It got me thinking how the world can change in an instant, and how Rotary has the power to be a steady force for good in that change. This month, Rotary's Basic Education and Literacy Month, we have a clear call to action: to strengthen the foundation of learning in every community we serve. Millions of people worldwide remain unable to read. Millions of children lack access to basic education. And yet, we know the solution: sustainable, inclusive, and equitable education, especially for girls and marginalized youths. Literacy is more than the ability to read and write. It is the key to human dignity, economic mobility, and peace. Every book opened, every classroom supported, and every teacher trained becomes a building block of peace. This year, our message is Unite for Good. "Unite" speaks to the strength we find in each other. When we unite our talents and resources — not only among our clubs but across partners, organizations, and communities — we expand our reach. And when we do so consistently over time, we create lasting change. Rotary service cannot be measured only in annual goals. Our work in education must extend beyond a single year. Literacy projects take time to take root, grow, and bear fruit.

Now is the time to think boldly and creatively. New types of clubs can help us engage educators, students, and advocates in new ways. Let us use this month to welcome new members with a passion for education and empower existing ones to lead service projects that reflect local needs. Whether you're building libraries, distributing textbooks, or mentoring students, your actions matter. Education is also peacebuilding. Every scholarship we provide, every early childhood program we support, every adult literacy class we fund is an act of peace. And Rotary has been building peace in this way for more than a century.

Let us not forget that the fight for literacy is not only about access, it's about equity. It is about ensuring every learner, regardless of background, has the opportunity to reach their potential. And it is about standing together — across borders, languages, and generations — to say that education is a right, not a privilege. Let's Unite for Good by committing to literacy that lasts. Let's dream of a world where every child learns to read. And then, as people of action, let's work together to make that dream a reality. Together, we can change lives, starting with the power of education. Together, we Unite for Good

MEMBERSHIP & CLUB DEVELOPMENT MONTH

Rotary's theme for September is Basic Education and Literacy Month. This month focuses on the importance of education and the ability to read and write for success in life, aiming to strengthen communities, improve adult literacy, and reduce gender disparities in education worldwide.

Key aspects of Basic Education and Literacy Month:

Goals:

Rotary's objectives include strengthening community support for education, increasing adult literacy rates, and ensuring that more people, especially girls, have access to education.

Rotary's Focus:

The focus is on empowering educators, supplementing school resources, and implementing community literacy programs to help children and adults develop essential learning skills.

Global Impact:

By promoting basic education and literacy, Rotary aims to reduce poverty, improve health, foster community and economic development, and contribute to world peace.

Examples of Rotary Activities:

Clubs can get involved by initiating projects such as returning youth to school, improving student performance, teaching adults to read, and making schools healthier and better equipped.

Thanks to our club for the blessing box donations last week – best ever.

- Cash basket this week (1st of month) goes to support Blessing Box and Bill Kimla will match.
- Safety Town planning meeting is this week so stay tuned.
- Veterans Park directory work to paint numbers to identify sections ongoing.

POLIO ERRADICATION UPDATE

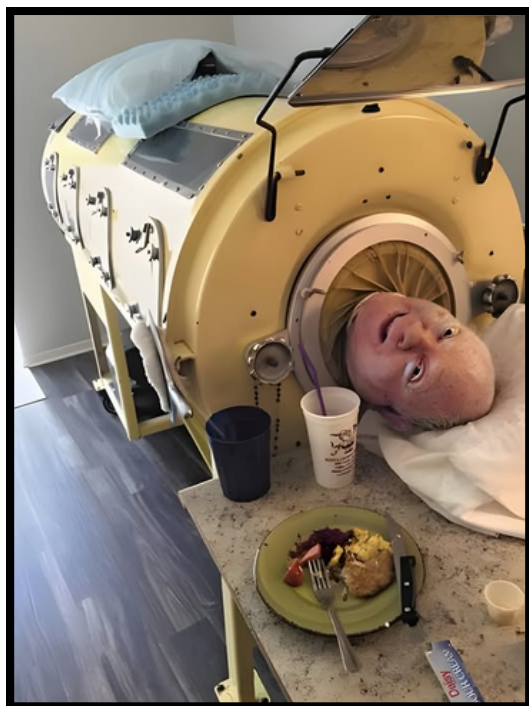

Together, We End Polio

Terry's Polio Eradication Update
For the week ending 08/30/25
Dear Polio Eradication Warriors,

One new Wild Polio paralysis cases reported this week. We are now 4 weeks since the most recent report of a child being paralyzed by the Wild Polio Virus in Afghanistan.

Pakistan -The first Polio Sub-National Immunization Days (SNIDs) of the high season will commence from September 1st 2025 in all Polio Super High Risk Union Councils.

Afghanistan - A Polio Vaccination Campaign will be held on Saturday, August 30, 2025 in the Eastern Zone areas: • Nangarhar: Sukhrod, Behsood, Khugyani, Batikot district and Jalalabad city, Laghman: Mahtarlam City. • Kunar province: Asadabad city. In this campaign, children will be given both OPV and IPV) to strengthen their immune system and prevent the spread of the virus.

Paul Alexander, who passed away in 2024 at the age of 78, was one of the last people in the world to live inside an iron lung—a towering, tube-like machine that kept him alive for over 70 years. At just six years old, Paul contracted polio during the devastating 1952 outbreak in Texas. The virus paralyzed him from the neck down and left him unable to breathe on his own. Doctors placed him in an iron lung, telling his parents he might not survive the night. But Paul defied the odds, beginning a lifelong journey of survival within the humming, steel confines of the machine that would become both his prison and protector.

Despite his physical limitations, Paul lived a life of astonishing courage and determination. Using a plastic stick held in his mouth, he taught himself to write, eventually earning a law degree and becoming a licensed attorney. He also authored a memoir, **Three Minutes for a Dog**, typing each word painstakingly with his mouth. Paul never allowed his condition to define his worth. Instead, he became a symbol of resilience, dignity, and the power of the human spirit. Friends and followers from around the world drew inspiration from his

story and admired his sharp mind, wit, and unwavering strength. Paul's passing marks not just the end of a life, but the closing of a chapter in medical and human history. His decades spent inside an iron lung are a sobering reminder of the devastating reach of polio, and the miracle of modern vaccines. But beyond the machine and the diagnosis, Paul Alexander leaves behind a legacy of perseverance and purpose. His life—brave, difficult, and deeply meaningful—touched thousands, reminding us all that even within the harshest limits, hope, intellect, and humanity can flourish.

Programs

PALESTINE ISD OVERVIEW

Larissa Loveless

3

PISD demonstrates a strong commitment to academic excellence, career preparedness, and inclusivity. Whether students are aiming for college acceleration, skilled trades certification, or receiving specialized support, the district offers diverse pathways tailored to different aspirations and learning needs.

The Palestine Independent School District Board of Trustees approved calling a School Bond Election for November 4, 2025. The vote follows the recommendation from district administrators who have studied and reviewed assessments of the district's campuses and facilities. Because construction costs increase by as much as 10 percent each year, the cost of these projects increases each year they are delayed, which costs Palestine ISD taxpayers even more money to fund the projects.

"It has been 16 years since the last bond election in Palestine ISD. The 2025 Bond helps address our buildings and spaces that are on average 45 years old," Superintendent Jason Marshall said. Texas school districts do not receive state funding for renovating or building new schools. Instead, they must receive funds through school bond elections. The 2025 November Bond will ask voters to consider a \$60 million package in one proposition.

PALESTINE PARKS & RECREATION

Patsy Smith

10

Patsy worked for 9.5 years as a Police Officer City of Palestine. During that time worked patrol, detective, community liaison and code enforcement. She is currently working as Parks and Recreation Director for City of Palestine. The Palestine Parks and Recreation Department is responsible for maintaining all City-owned parks, lakes, and cemeteries, totaling approximately 275 acres of grounds maintenance. The department also maintains park infrastructure, playgrounds, sports facilities, cemeteries, and aids in special events for the City of Palestine.

McGINNIS FARM PROGRAM

Braden and Jordan McInnis

17

Braden and Jordan McInnis are first-generation farmers from Anderson County, Texas, recognized for their agricultural success and advocacy for the farming industry. They won the Texas Farm Bureau's Young Farmer & Rancher contest in 2019 and went on to win the national American Farm Bureau Federation Achievement Award in 2020. Their operation includes growing corn, wheat, cotton, soybeans, grain sorghum, and hay, raising cattle, and offering commercial spray applicator services and timber clearing. Jordan also works as an agricultural science teacher at Elkhart High School. Their dedication and success in farming earned them top honors in both the Texas and national Young Farmer & Rancher competitions.

JR ROTARIAN SPEECHES

Elkhart, Palestine & Westwood HS's

24

"Junior Rotarians" are High school seniors selected through their school's guidance office, faculty, or community involvement. Invited by our Club to learn about Rotary, experience community service, and develop leadership skills and to expose them to Rotary's values of service, leadership, and fellowship.

The students attend Rotary meetings weekly and participate in discussions, and may assist with club projects. This program helps students develop leadership, networking, and public speaking skills, while also introducing them to opportunities like Interact, RYLA (Rotary Youth Leadership Awards), and eventually Rotaract or Rotary membership..

2026–27 Rotary International president

Olayinka Hakeem Babalola

Olayinka Hakeem Babalola, a member of the Rotary Club of Trans Amadi, Nigeria, has been selected by the Board of Directors to become Rotary International's president for 2026-27. His term will begin on 1 July 2026. The Board, guided by the RI code of policies, conducted a special session to select the organization's leader after the resignation of RI President-elect SangKoo Yun, who decided to step back from his

Rotary responsibilities and focus on his recovery from recent cancer treatment.

Babalola began his Rotary journey in 1988 as a Rotaractor. He joined the Rotary Club of Trans Amadi six years later. His leadership roles include serving as district governor (2011-12), RI vice president (2019-20), and member of the RI Board (2018-20). He was also an active leader and participant in RI committees such as the End Polio Now Countdown to History Campaign Committee (2017-23) and the Nigeria National PolioPlus Committee (2013-present, adviser 2016-present).

Babalola received a university degree in engineering in 1988. He has worked for 25 years in the oil and gas industry, holding senior positions in Shell PLC and carrying out projects on four continents. He is the founder of two companies: Riviera Services Ltd., an oil and gas infrastructure delivery company, and Lead and Change Consulting, an executive coaching and organizational performance advisory group.

Babalola's professional affiliations include the Nigerian Society of Engineers, the Institute of Safety Professionals, and the Association of Change Management Practitioners. He is a member of Jericho Business Club, an organization in his home city that provides input to governments on economic and social policy.

Babalola and his wife, Preba, live in the city of Port Harcourt. He supports The Rotary Foundation with a named endowment and as an Arch Klumph Society member. A trustee of ShelterBox UK and director of the Safe Blood Africa project, he is a recipient of the Africa Centennial Heroes Award, the Regional Service Award for a Polio-Free World, the RI Service Above Self Award, and The Rotary Foundation Citation for Meritorious Service.

The president of Rotary International serves a one-year term, presiding over the Board of Directors and providing inspirational leadership for the organization. As the spokesperson for the global network, the president visits clubs around the world to promote Rotary's values and represent the organization at major events. Rotary chooses its president from members who have demonstrated extensive leadership experience within Rotary, including service as a club president, district governor, and member of the Board.

Peacebuilding

Engage in this exciting webinar, Peacebuilding: Finding Common Ground. This 90-minute event will be on September 9th, 2025, at 9:00 am (Hawaii time) | 3:00 pm ET (USA. UTC -5) and led by José Barzola. Please use the Time Zone Converter to determine when this engaging conversation will be in your time zone.

This PeaceConnect session is \$10 for non-MBBI members, \$5 for MBBI Members. Register are at this link: September 9th, 2025. An hour before the actual event, you will receive the Zoom link for the presentation.

No.38 – August 26, 2025
1 minute to discover an aspect of Rotary history

Understanding the 4-Way Test

The **4-Way Test** is at the heart of Rotary ethics.

1. **Is it the truth?**
This first question reminds us of the importance of honesty. Seeking the truth in our actions and words prevents misunderstandings, rumors, and injustices. It builds mutual trust.
2. **Is it fair to all concerned?**
Rotary encourages loyalty, not only to friends and colleagues, but also to the community. Fairness and equity ensure balanced and lasting relationships.
3. **Will it build goodwill and better friendships?**
This dimension emphasizes social peace. Acting with kindness fosters understanding and prevents conflict.
4. **Will it be beneficial to all concerned?**
Finally, Rotarians aim for the public good. A decision must go beyond personal gain to serve the common good, the founding principle of our commitment.

Description

WHY ROTARY IS WAY MORE THAN JUST ANOTHER CLUB

Rotary is a journey of growth and purpose, enriching our lives with meaningful friendships, leadership opportunities, and the fulfillment of serving others. Many of us have experienced the transformational power of being part of this global organization. Whether you are a seasoned veteran, a relative newcomer, or someone who is considering joining, it is worth reflecting on the immense benefits of Rotary membership.

Networking and professional development

One of the most immediate benefits of Rotary membership is the opportunity to expand your professional network. Our club meetings, events, and projects bring together leaders from various industries and backgrounds. This diverse mix creates a unique environment for:

- Exchanging ideas and best practices
- Finding mentors or becoming one yourself
- Discovering new business opportunities
- Developing leadership skills through club roles and project management

Many members have found that the connections made through Rotary have not only enhanced their careers but also led to lifelong friendships.

Personal growth and learning

Rotary is a continuous learning experience. Through our meetings, we often host speakers who are experts in their fields, covering all sorts of topics. This exposure broadens our horizons and keeps us informed about the world around us. Additionally, we have numerous opportunities for personal development:

- Public speaking practice at club meetings
- Project management experience through service projects
- Cross-cultural understanding through international programs
- Leadership development through club and district roles

Making a difference locally and globally

At the heart of Rotary is our commitment to service. As a member, you get to:

- Participate in local community service projects
- Contribute to global initiatives like polio eradication
- Use your professional skills to make a meaningful impact
- See the direct results of your efforts in improved lives and community impact

There's a profound sense of fulfillment in knowing that your time, skills, and resources are making a real difference in the world.

International understanding and cultural exchange

Our global presence offers unique opportunities for international engagement:

- Participation in international service projects
- Hosting a Rotary Youth Exchange student or taking part in an exchange
- Connecting with Rotarians from all over the world during a Rotary International Convention

These experiences offer a global perspective and promote peace and understanding across cultures.

Family Involvement

Rotary recognizes the importance of family, and many clubs design activities to include spouses, partners, and children through:

- Family-friendly service projects
- Social events that welcome family members
- Youth programs like Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

This family-oriented approach allows you to share your passion for service with your loved ones and create lasting memories together. In addition, Rotaract clubs offer a path to membership for mostly younger adults, giving every age an opportunity to find their place in the family of Rotary.

contd. next page.....

WHY ROTARY IS WAY MORE THAN JUST ANOTHER CLUB, contd.

Health and Wellness

Rotary membership can actually contribute to your health and well-being through:

- Regular social interaction, which is crucial for mental health
- Opportunities for physical activity in service projects and events
- Stress reduction through purposeful activities and community connection
- A sense of belonging and purpose, essential for emotional well-being

Exclusive Member Benefits

Beyond the intangible benefits, Rotary offers several tangible perks:

- Access to grants from [The Rotary Foundation](#) to expand the impact of your service projects
- Discounts on [Rotary events](#) and merchandise
- Travel opportunities through [Rotary Fellowships and Friendship Exchanges](#)

Are you ready to make a difference?

We are so much more than a lot of local clubs. We are a global network of more than 1.2 million neighbors, friends, and problem-solvers who see a world where people unite and take action to create lasting change. What's not to like about being actively engaged in Rotary? When was the last time you've shared some or all of these benefits with friends or colleagues?

Reach out to those around you. As a club members lets reach out to others in your community and let them know how they, too, can experience the warmth of our fellowship, the inspiration of our speakers, and the satisfaction of serving others.

🌍✨ "When you join Rotary, you don't just change the world you change yourself."

Every project, every friendship, every act of service opens a door.

From eradicating polio to delivering clean water, from empowering youth to building peace, Rotarians are creating lasting change in communities everywhere. 💙💛

But here's the best part: in giving, you grow.

You gain leadership, lifelong friendships, and the joy of knowing you made a difference.

💬 Tell me what's the most rewarding part of your Rotary journey?

💡 Or if you're not a Rotarian yet... what kind of change do you
