

Steps for Proposing a New Member To the Rotary Club of Texas City

1. The name of a prospective member, proposed by an active member of the club or by the membership development committee, shall be submitted to the board in writing, through the club secretary (request new member proposal form). The proposal for the time being should be kept confidential except as otherwise provided in this procedure. (Note: the proposed member can be told of the proposers's interest to propose ... but do not promise membership).
2. The board, through the secretary, shall request the classification committee to consider and report to the board on the eligibility of the proposed member from the standpoint of classification and shall request the membership committee to investigate and report to the board on the eligibility of the proposed member from the standpoint of character, business and social standing, and general eligibility.
3. The board shall consider and approve or disapprove the recommendations of the classification and membership committees and shall then notify the proposer, through the club secretary, of its decision.
4. If the decision of the board is favorable, the proposer shall inform the prospective member of the purposes of Rotary, and of the privileges and responsibilities of membership in the club, following which the prospective member shall be requested to give his/her permission for his/her name and proposed classification to be published to the club.
5. If no written objection to the proposal, stating reasons, is received by the board from any member of the club within ten days following publication of the name of the prospective member, upon payment of his/her admission fee, dues, meals and meeting fees, shall be considered to be elected to membership.

Subject: Explanation of Member Billing

The purpose of the memo is to help each member understand his/her quarterly statement.

Statements are prepared in the first month of each quarter. You are **billed in advance** for club dues, meeting fees and lunches and other credits or charges during the previous quarter.

The following is a normal billing, excluding pledges, other charges, etc.:

DUES AND NOON LUNCHESES – The amount of quarterly dues are determined by multiplying the number of months (3) in a billing period by \$11.00. The weekly luncheon (mandatory for all members) and weekly meeting fees amounts are determined by multiplying the number of meetings in a quarter or billing period (normally 13) by the cost of the meal (\$11.50); and by meeting fees (\$3.00 a week).

DUES	3	\$11.00	\$33.00
WEEKLY LUNCHEON COST	13	\$11.50	\$149.50
MEETING FEE	13	\$3.00	\$39.00

BILLING ADJUSTMENTS – Adjustments will be shown for over payment, under payment and other adjustments that are necessary from time to time.
