#### I LIKE ME BOOK READING

Each year the club purchases personalized books for the Texas City elementary kindergarten students. They have the student's name, two friends' names, their teacher and principal as part of the story. The books have arrived and are now ready to be read to the students. We are looking for our readers. There are four schools you can go to all or choose which will fit best with your schedule. These students enjoy being read to, and some even like to try to read it to you!! There will be some of the Interact students and the school's fourth graders that will be there to assist as well. A sign-up sheet is on the tables to sign-up, or you can email Dawn with the times that work best for you.
