This is a chance for all of us - whether you have just joined or been here for years - to come together and talk about where our club is headed. We'll explore what matters most to us, set some big-picture goals, and map out real steps to make a bigger impact. Even strong clubs like ours should make sure we are moving forward with purpose.

Let me know if you can come. There is a place for Yes, No and Maybe) <https://forms.office.com/r/cmTDQwP5H7>
