The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

April 12 Katharine McGee – Deputy Chief of Operations – TC Property Values and Legislation Updates for 2024

We extend our gratitude to Senator Mayes Middleton for taking the time to share a legislative update from the last session and discussing his legislative priorities with members last week. A special thanks to Don Gartman for introducing the program.

The members had the opportunity to hear about the work being done in the legislature and how it impacts our community. His insights contributed to a better understanding of the issues at hand.

Clean water, sanitation, and hygiene education are basic necessities for a healthy environment and a productive life.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.
