

# We Are Rotary

**Rotary brings together people like you –** from all walks of life – who want to use their expertise for good. People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good – and form lifelong friendships in the process.

# Make a Difference

**Belonging to a Rotary club provides members with an opportunity to give back to their communities** and to connect with like-minded leaders and friends.

People join Rotary for many reasons, including community involvement, personal development, professional networking and camaraderie. Perhaps the most important benefit to our members is the satisfaction gained from making a real difference in our community as well as promoting literacy, peace and understanding in the world.

## Our Club

**Our club gives you an opportunity** to join leaders to take action on important issues affecting our community, our nation and the world. We also have a lot of fun – whether we're socializing or working together on service projects.

Members of the Rotary club of Marblehead connect at weekly meetings and learn from a variety of business experts, political and civic leaders, and entrepreneurs, who help us stay informed on topics that are relevant to our community.

# Current Projects

**Our club is committed to making an impact locally, but that's not the extent of our reach.**

We raise funds for scholarships and provide manpower and support to the local community building and fundraising efforts.

The Rotary Club of Marblehead has founded and supports many local groups – notably, Marblehead High School's Interact Club. In addition, The Marblehead Rotary Club champions **Safepassage.org** – A project which raises awareness about children living in the Guatemala City garbage dump.

We sponsor Marblehead's Got Talent and raise funds through our **Annual Lobsta Raffle** to promote local scholarships, camperships, clean water and sanitation in places like Burkina Faso, West Africa. **Friends Forever**, promotes Peace and Conflict Resolution in Northern Ireland and the Middle East.

To honor a longtime US Marine Corps Veteran who passed away this year at age 92, the proceeds from the Rotary's first annual **Don Humphreys Veteran's Memorial 5K Run/Walk** will provide a scholarship to support a son or daughter of a veteran, or a student entering a military academy or the military service.

United, we empower youth, improve health, promote peace, and advance our communities in every single corner of the globe. With over 1.2 million members in 34,000 clubs around the world, our global community's impact has never been greater – and year after year it continues to grow.

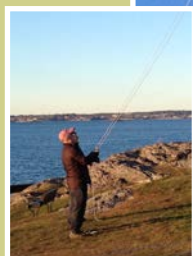

## Get Involved

**Learn how you can make a difference.**
