Saturday saw Rotarians from the Rotary Club of Parker collecting food for the Parker Task Force. Rotarians included: **Jim Boyd, Dave Selden, Tom Furmanski, Steve Small and Li Pettett.** The Rotary Community Corps at Rocky Vista University medical students helped with the collection. They included **Jamie Holland, Lance Frank and Katherine Johnson.**

Saturday and Sunday found Rotarians from the Rotary Club of Parker selling tickets for the Parker Chamber of Commerce. Thanks to all who helped! Thanks to the members of the Parker Senior Center for joining the Rotarians by selling tickets with us. You were appreciated!

**Parker Rotarian Alvaro Pisoni** attended a Rotary meeting in his hometown of Trento/Trient, Italy last week. This is a great way to connect more with where ever you are visiting on trips. The Rotary Club of Parker has banners that you can take to other clubs when visiting.

The Rotary Club of Parker Board of Directors has accepted a proposal of membership for Wayne Markel. Wayne has been a Rotarian for many years, most recently with the e-club. If anyone has any objections, please email Lindy within one week.

**Several Rotarians have expressed an interest in seeing what happens at Project Sanctuary. We have two opportunities in August.**

On **Friday, August 14<sup>th</sup>** the crew from Project Sanctuary will be at Sam's Club in Lone Tree at 9:15 a.m. and need help loading the groceries and supplies into their vehicle and then drive (car pool) to the YMCA Camp in Granby, CO to unload the groceries, unload the storage closet, unload the bus, and help set up the lodge for the retreat and get Orientation Packets together and make name tags). Then drive back home.

**Maximum 5 Rotarians.**

On **Saturday, August 15<sup>th</sup>** – you can drive to Granby, CO and see some of what the veterans and their families do on a retreat. You would need to be at camp by 8:30 a.m. (eat before you come) then follow the caravan to the reservoir to see the fishing set up and help set up lunch. Next would be off to the stables for a send-off to the families for their trail rides and possible help play with kiddos. From there you can go back and see the areas where all the activities are held and then drive back home. **Maximum 5 Rotarians.**

Want to help, but don't have the time? You could make **HOMEMADE** cookies or brownies to be delivered to the camp with the group on Friday or Saturday.

**A Message from ShelterBox:**

Dear Rotary Club of Parker,

I wanted to send a personal thank you to your club for making a gift to ShelterBox USA in the amount of \$3,000.00 .

Your gift will allow ShelterBox, a Rotary International Project Partner, to assist families displaced by disasters and humanitarian crises worldwide. In essence, your gift will change the lives of disaster survivors in a positive way by giving them the necessary shelter, warmth and dignity to rebuild.

We need support like yours now more than ever to replenish our stock that has been diminished due to disasters such as the recent earthquake in Nepal. ShelterBox is sending out a range of different aid, ensuring that we meet the needs of different communities. In rural areas, whole villages have been destroyed, so it is essential that families have tents to protect them from the elements. In cities like Kathmandu, the contents of our shelter kits will help people to rebuild their homes while be able to stay close to their families and communities.

Below my signature lies a press release that you can use in your community to help others to *Light Up Rotary*. Promoting your club's efforts is an important step to boosting membership and shares the values of Rotary with others. And with Nepal very much in the news, now is an opportune time to reach out to your local news.

**Yours in Rotary Service,**

**NEW Conversations with Project Sanctuary staff, volunteer & military family:**

We are glad you were able to volunteer at this retreat. I know you ladies would have liked more duties, but your presence was more helpful than you realize.

I loved the newsletter- we shared it with our public relations gal.

I look forward to working with you and getting more Parker Rotarians at a retreat.

Missy Hyatt CTRS  
*Director of Programs*

It is Sharon Thomas from PS. Thank you so much for your kind words. I had an amazing week working with you and the ladies. I enjoy laughing and giggling while watching the families reconnect.

I would love to know more about being in the Rotary Club. I have no idea what your organization does but want to learn.

Please keep in touch!

Sharon Thomas, Volunteer Counselor

Sounds like a great organization. Let me know how to join or get sponsored.
