 <p>Bonnie Harris, Arlington Animal Hospital</p> <p>Classification Medicine - Veterinary Services</p> <p>Classification Biography</p> <p>I am a second generation veterinarian and am the proud owner of Arlington Animal Hospital. My hospital is the oldest animal hospital in Arlington, Texas and has been in continuous operation since 1948. My father, Herb Schoonover, bought Arlington Animal Hospital in 1975 from J.M Farrell who built the hospital on State Highway 80 (Division Street) which was at that time the only road between Dallas and Fort Worth. I bought the hospital in 1992 from my father, and I am hoping that some day my daughter who is also a veterinarian, will join me in practice and make it three generations! My hospital received the "Texas Heritage Veterinary Practice Award" March 1, 2014 from The Texas Veterinary Medical Association. We are a full-service general practice and have a strong relationship with our clients, our patients, and our community. Excellence, honesty, compassion, and hard work have contributed to our success. Dr. Harris mentors students from UTA, Upward Bound, Lamar High School Health Professions Programs as well as speaking at a variety of Career Day events in the local schools. She loves challenging the students to think, explore, solve problems, and to consider the "hard" decisions that a veterinarian sometimes has to make when dealing with a patients and people. Veterinary Medicine is the hardest job in the world; but it is also the funnest job in the world because every day brings new challenges and new adventures!</p> <p>Member Since: Sep 02 2010</p>	<p>Arlington Animal Hospital 1012 W.
