President's Message

By *Susie Wine McAlister*

WHILE I LOVE SEEING OUR USUAL FIFTY OR SO ROTARIANS WHO JOIN OUR ZOOM ROTARY MEETING EACH WEEK, I ALSO, REALLY MISS THOSE OF YOU WHO DON'T ATTEND THESE VIRTUAL MEETINGS.

I know, meeting in person is so much better, but these Zoom meetings have some advantages too. They are easier for many to attend because you don't have to leave home or the workplace, spend drive time, and the drive back. And, we have fewer limitations on whom we can ask to speak.

At first, we were missing out on our social time together, which as we all know, is a very important part of Rotary. Now, however, we are starting the Zoom connection before the beginning of the regular meeting. From 11:30 to noon, we have open-mic time during which we get the opportunity to check up on our Rotary friends. In the first two weeks, those of us who got on early have had a great time catching up. If you haven't done so yet, get on the Zoom connection early this week.

Finally, this is my request to each of you: If you are reading this but you haven't attended your Rotary club by Zoom, please do so this week. It is really easy to do. All the instructions are on page 2. If you have been missing a

This week we had two visitors, Cindy Bradley & Stacy Bridger, who has an application in to join our Club. We had no visiting Rotarians in attendance.

Sally Hopper offered ways for Rotary to help Club members obtain another Paul Harris Fellow. The Club will match a \$150 donation with 150 points towards your next Paul Harris Fellow. On behalf of Sal Capuli, President, Susie asked Rotarians to volunteer for the month of October's pledge & prayer.

Sally Hopper offered a Happy Birthday and Anniversary to our fellow Rotarians celebrating this week!

President, Susie McAllister announced our program DG Roger Paschal. Roger and his wife are currently realtors. He is also an instructor in Marketing and Sales and in his spare time lends his skills as a trained Improv Actor.

DG Roger Paschal joined Rotary in 1989 when a friend invited him to join. Since joining Rotary, Roger has continually been amazed at how Rotarians are connected around the world. One of DG Roger's favorite parts of Rotary is RYLA, where he has served as a Rotarian Counselor for the last six years. While RYLA is rewarding they are having to turn down children due to lack of counselors. They are always looking for Rotarians to be involved.

DG Roger gave an update on other activities going on in our district right now. As of June our district presented over 17,000 dictionaries. The Four Way Test speech contest was cancelled last year due to COVID-19 however, for the 2020-2021 year if in person meetings have not resumed, the contest will be held via Zoom. Our district, alongside others are participating in projects going on in Quanah, Texas. The district website has added a link on their site "Rotary Job & Business

October 24th Rotary will host "Pedaling for Polio." Lastly, DG Roger Paschal hosts Fireside Chats the second Tuesday of every month at 7 pm.

DG Roger Paschal ended his time by giving a great compliment to Rotarians. "Rotarians are givers, we have a great network in over 250 countries, we get stuff done. Right now Rotarians are in six areas of focus with the seventh, environmental coming in July."

In honor of the program president, Susie presented a Paw Patrol book to Webb Elementary on behalf of DG Roger Paschal. Susie also announced that our Club will be donating \$250.00 toward Polio on behalf of DG Roger.

President, Susie recited this week's quote and then led Rotarians in the Four Way Test and we were adjourned. 🙏

Our club has a tradition of writing birthday checks to the **Rotary Foundation** in the amount of the number years they are celebrating (or rounding it up a little higher if they chose). The gift sent to the **Rotary Foundation** goes into a pool that eventually funds our club grants and also earns you points toward your next Paul Harris pin. (Please note this is the **Rotary Foundation** not the Arlington Rotary Foundation. Thanks!)

World Polio Day 24 October

ENDING POLIO FOREVER

Rotary has been working to eradicate polio for over 30 years, and our goal of ridding the earth of this disease is in sight. We started in 1979 with vaccinations for 6 million children in the Philippines. Today, Afghanistan, and Pakistan are the only countries where polio remains endemic.
