Meet Mia

By Mia Russo

Hi, I'm Mia Russo and I serve as the club secretary. The primary role of the secretary is to maintain the membership records and to report member attendance to Rotary International. When a new member joins the club, I work with the Membership Director to get the membership packet ready, make the member badges and enter member information into club runner. Each week, I create the attendance sheets for club meetings and enter the attendance information in club runner along with meeting make-ups. At the end of the month, members are sent a preliminary attendance report for review before the club attendance report is filed with Rotary International. Make sure you look it over and email me with any updates. Reminder, meeting make-ups include:

- Attending another Rotary Club
- Online makeup
- Taking part in a Rotary Club activity or project such as a committee meeting, social event, time spent on Rotary business other than during a scheduled meeting, board meeting, etc.

As secretary, I also help log member volunteer hours in club runner. Rotary International reviews a club's volunteer hours when considering awards and grants as a measure of our club's involvement

in the community. Our club members give back to the community in so many ways by volunteering at numerous non-profits and schools. Please consider reporting your hours. Logging your volunteer hours in club runner is quick and easy. You can also either email me or add your volunteer organization, dates and hours worked to the attendance sheet.

EACH ONE BRING ONE

BIRTHDAYS

Bob Cooke Birthday Fund
November 7 – November 13

Heather Kipker November 11

Our club has a tradition of writing birthday checks to the **Rotary Foundation** in the amount of the number years they are celebrating (or rounding it up a little higher if they chose). The gift sent to the **Rotary Foundation** goes into a pool that eventually funds our club grants and also earns you points toward your next Paul Harris pin. (Please note this is the **Rotary Foundation** not the Arlington Rotary Foundation. Thanks!)

Inc., and the Abilene Convention & Visitors Bureau. She was selected to Abilene's 20 Under 40 in 2012 and graduated Leadership Texas in 2014.

Kayla spoke to our club about her first introduction to Rotary. She shared with us how things have changed over the years such as the perfect attendance rule that has kept many younger people from joining Rotary in the past. Rotary is committed to helping clubs reflect the demographics of the community that they serve. Kayla joined her Rotary Club and has helped bring younger people to her club and is committed to "Serve to change lives". Rotarians are changing lives across the world. On July 1st there were 1.2 million Rotarians worldwide. There are now over 1.4 million Rotarians worldwide. In our district we have grown by over 108 Rotarians. Millennials are becoming more and more interested in joining service oriented organizations like Rotary. Though the attendance policy has been relaxed she encouraged members to still show up to the meetings. Perfect engagement is more important than perfect attendance.
