Doug told us about two other opportunities for the club to support Hempfield School District. 1) School supplies or 2) holiday gifts for needy students. Either would be a \$3,000 - \$4,000 annual commitment, and be scalable. Would start with the Landisville Primary Center. More discussion to follow.

Nobody seems to have advertisements to contribute.

In lieu of that, I noticed that only four of the Women of Rotary showed up this morning, but they strategically planted one of them at each of the four tables.

I half expected one to leap to her feet and shout "Let's take 'em!"

Here is the layout.

I'm looking for summer vacation photos for the newsletter during the next few months. Email me the photos, or links to the photos. Thanks.
