We invite you to participate in the Rotary Club of West U 23rd Annual Spring Golf Tournament to be held on Monday, April 22, 2019, at Riverbend Country Club.

The HAY Center is a public-private partnership with Harris County Protective Services providing transition services for youth aging out of foster care. In Texas foster care ends on the young person's 18<sup>th</sup> birthday. Imagine an 18-year old on their own, no parent, no home and no plan. What 18-year old knows how to find housing, manage their finances, make life decisions on jobs, careers, school or relationships, much less deal with medical or other emergencies? The HAY Center steps in to fill this gap with Preparation for Adult Living classes, transition housing, trained adult mentors, dedicated caseworkers, job fairs and referrals in times of emergencies. The HAY Center Foundation provides financial support for programs that would not exist but for the foundation's contributions.

Proceeds of the tournament will support the HAY Center Foundation and West U Rotary projects.

You can help by sponsoring a hole and/or a foursome or by providing a door prize and/or making a donation.

Please join us in our support for the HAY Center Foundation and its service to the community and to the West U Rotary Club Foundation. Your generosity is greatly appreciated.
