THE BENEFITS OF JOINING KINGWOOD ROTARY CLUB

OUR VISION STATEMENT:

Kingwood Rotary Impact starts with our members! We're a group of friends that are living our dream of making a difference in the world. Chartered during the 100th Anniversary of Rotary International in 2005, our club has the unique distinction and honor of being recognized as a "Centennial" Rotary club.

What IS Rotary? Rotary's 3-word motto sums it up best: "Service Above Self." Started in 1905 in Chicago by four businessmen to network, Rotary International and is the world's oldest service organization in the world comprising of 35,200 clubs in more than 200 countries, with 1.4 million members. Rotary lets you make a difference by being a part of the world's largest family of givers. It's about community and volunteer leaders from different cultures, and occupations in our community taking action — to enhance health, empower youth, promote peace, and improve their community.

Our values: Fellowship & Global Understanding, Ethics and Integrity, Diversity, Vocational Expertise, Service & Leadership

How we live our values: Build lifelong relationships, honor our commitments, and apply our expertise to solve social issues.

Eligibility: We're looking for people that want to give back to their community. We encourage anyone interested to visit our dinners a couple of times just to see if our club is a fit for you. Kingwood Rotarians must be of good character and good business or professional reputation.

Membership Benefits: You become part of an instantly-recognizable and respected worldwide humanitarian organization. Becoming a Rotary member connects you with a diverse group of professionals who share your drive to give back. Through regular meetings and events, you'll:

- ~ Discuss your community's needs and develop creative ways to meet them
- ~ Expand your leadership and professional skills
- ~ Catch up with good friends and meet new ones

Financial Commitment: Our quarterly dues are \$150/quarter (which includes an optional \$50/quarter contribution to The Rotary Foundation (a 501(c)3 non-profit) making you a member of the **world's most recognized and honored international organization!** Members are billed each quarter, in advance, for dues. Members order and pay for their own meals at The Union Kitchen based upon their personal budget. We don't have a minimum food order, so some members enjoy a glass of wine, coffee, appetizers, or a meal. *Please speak with your tax adviser to see if your dues would be tax-deductible under IRS rules.* You'll also have opportunities to attend events and conferences.

Attendance: We're VERY Flexible! When you become a Rotarian, we ask that you attend our weekly dinners, but we're all busy, so missing a meeting isn't a problem. There are multiple ways to make-up a meeting:

- 1) pick your favorite project/organization and volunteer in the name of Rotary (it doesn't have to be a Rotary event);
- 2) volunteer at the service project of another Rotary club;
- 3) attend an on-line Rotary E-Club meeting;
- 4) visit one of the 61 other Houston-area Rotary clubs where you'll be welcomed like family, plus you get a chance to network;
- 5) Volunteer at one of our service projects.

Travel for business or pleasure? Then you'll have the opportunity to visit a Rotary club and it's no problem because Rotary clubs are throughout the USA, and around the globe, so you'll be welcomed like family.

Why weekly dinners? WE HAVE FUN! It helps to plan community service projects when members attend our meetings and share their ideas and expertise. We network and learn about other businesses and professions, form strong and close relationships *and do business with each other.*

Where we meet: We have dinner together each Tuesday night from 5:30 PM to 6:30 PM at The Union Kitchen in Kingwood. We start to Gather around 5:15 PM to order their food, socialize, and enjoy fellowship. Spouses, children and family members are welcomed!
