

# SCR Weekly Update Week of April 22nd, 2024

## President's Message

Tomorrow's speaker will be Daniel NewMeyer of Space Center Houston. Space center Houston continues to be a major area attraction due to the constant facility and learning opportunity upgrades. Also, our 2024 Individual LEAP Honoree, Jill Reason, will join us for a presentation of her designated honorarium to Bay Area Houston Ballet and Theater.

Monday April 29th will be a Fifth Monday which means we will be having an after hours fellowship and social instead of our regular lunch meeting that day. We will be meeting at Rosewater Clear Lake on Clear Lake City Blvd starting at 5:30 until 7:00 (or later if you desire). Weather should be nice and we will meet on their outdoor patio. I hope to see you there.
