

## Webster Rotary Club Service Above Self Award Nominee Form

Rotarians around the world have always strived to live by the motto "Service Above Self" by helping those close in their community and far away. Each community has individuals that have that same mentality but do not belong to Rotary and Webster Rotary wishes to recognize those people. Candidates will be chosen by Webster Rotary for their efforts in the Webster Community and will be recognized at a luncheon celebrating their award.

Please fill out the form below and send it in the vote for your "Service Above Self" candidate.
