

BE THE INSPIRATION

JUNE 6 – JUNE 27

June is a busy month for West End Rotary. We are excited to be visiting the West End Regional Park on June 13th. We will visit the pavilion where we hope to donate a grill and learn more about plans for the dog park that is being built.

On June 20th our assistant district governor, Bill Skinner, will be visiting our club. Hope you will all be in attendance and some snacks are certainly appreciated.

June 27th brings us to the Garden of Giving. Thanks to Jim's coordination, we were able to donate 14 fruit trees to the Garden of Giving – one for each of our members. We will be taking publicity shots at this gathering and hope that you will all try to make it and get to know "your tree" a little better.

Thank you to all who donated to foundation this year. You do make a difference both locally and throughout the world. Your past donations have made the fruit trees possible for Garden of Giving, purchased coats for needy families, provided the ambulance with a stair chair for helping patients get out of tight spaces, and so much more.

Stay tuned to more information on our installation dinner in July as I turn over the reins and keys to Jim Manello. It has been a privilege to serve the club this year and I look forward to Jim's year. I will now be able to sleep 5 minutes longer!

Please feel free to contact me with all questions, comments, suggestions. Cell service is spotty at my home, so it is best to reach me via email gruenberg.honi@gmail.com or phone (570) 620-9315.

Honi Gruenberg – President
