Automatic payments provide both worry-free convenience for members and more efficient accounting for the club, ensuring that more of your contributions will be available for the Rotary mission. Automatic payments are made every month on the 15<sup>th</sup> for the exact amount of the monthly dues. Twice a year, a detailed statement of the member account will be provided, and any additional balance (e. g. for event fees) will be included in the next payment, no earlier than two weeks after the statement date.

Copy the routing number and account number from a check or deposit slip as follows, or simply **attach a voided check here.**

Note: On some checks, the order of account and check number is reversed. Do not include the check number!
