

April 20 to April 24, 2018

Dear High School Counselor:

It's RYLA time again! Rotary Clubs throughout southern Minnesota and western Wisconsin are awarding \$335 scholarships to the Rotary Youth Leadership Award (RYLA) camp at the beautiful YMCA Camp St. Croix in Hudson, Wisconsin. The dates are from 6:00 pm on Friday April 20 to 1:30 pm on April 24, 2018.

RYLA is the premier weekend intensive leadership training retreat for high school sophomores and juniors to enhance their leadership skills, citizenship and personal growth.

We understand that this involves missing two school days and this should be taken into consideration on the students selected. For our part, we make sure that the time away is well spent in helping the students learn skills that will help them be more productive in school, be good examples and mentors for their cohorts, and grow into responsible citizens.

For a quick view of the RYLA experience, check out the video clips of the camp at www.campryla.com.

Some examples of feedback from students past:

“Through RYLA we discovered that trust is crucial. Through the ropes course it was very evident because you literally could not accomplish anything if you didn't work as a team. But even in simple ways like small group talks, we learned to have great conversations with people we barely knew. By coming to RYLA I learned that with trust and friendship you can make anything happen.”

“I had a great time on this trip. I was overwhelmed in the beginning because I didn't know anyone and I was never put into a situation like that before, but by the end I was able to make friendships that I hope to keep for the rest of my life. The activities were great, and I learned a lot from them. I am extremely grateful to have been a part of camp RYLA. Thank you guys so much for the opportunity.”

“I would like to say that RYLA was an incredible, life-changing experience. I was very stressed about my future (where to go to college, what my occupation should be) before coming to RYLA, but RYLA helped me see things from a different perspective and see opportunities that I never thought were possible. Also, RYLA has forever changed how I am going to lead in the future. I learned that leading isn't about having the loudest voice or strongest opinion in the room, but a leader makes everyone feel special, loved, and wanted. I would like to thank all of the coordinators of RYLA for giving me a weekend that I will never forget.”

Instructions for Rotary Clubs

Camp Dates are APRIL 20 (dinner) to April 24 (lunch).

Arrival at Camp St. Croix, in Hudson, WI.

Departure from the International in downtown St. Paul (home of St. Paul Rotary and formerly the Crowne Plaza)

Registration Process:

Information is available at www.campryla.com .

Fill out preregistration form. This form allows us to pencil in the number of students attending so we can make sure we have enough staff. (February)

Find your students. We have a nomination form that you can use, but it is **optional** for use. Ultimately, the selection of students is up to their sponsoring club. The nomination form also has most of the information needed for registration.

The easiest thing for you would be to email the link to the students for the registration site. The students can fill it out themselves, which would help us make sure there is accurate contact information. You could fill it in yourself based on the nomination form, which would be helpful for your student if they do not have reliable internet access.

When students get registered, we will email forms, and more information, to them to fill out. These are also available at campryla.com. The forms are:

- ✓ Rotary permission
- ✓ YMCA release

The forms should be emailed to applications@campryla.com. They can be brought to camp- but they have to have them signed in order to participate, and it would be better if they sent them in advance. If a parent drops the student off, they can sign then, as well, if needed.

Clubs are responsible for their student's transportation. This can be accomplished by:

- Rotarians who have been through the district's youth protection policy can drive them to camp;
- Parents can drive their kids to camp.

Students cannot drive themselves.

April 20 to April 24, 2018

After April 1, if we have not heard back from you, we may give out some of the reserved space to others waiting.

For a cancellation before April 6, we can refund 50%. After April 6, we cannot offer a refund of fees. However, you can:

- Find a substitute;
- Sponsor a student from another club (we often know of a few);
- Sponsor a St. Paul student from a disadvantaged neighborhood (we can get a lot more students than we can fund, with sufficient notice).
