2016 Bachelor of Laws

2001 Bachelor of Arts (Communications)

1995 Rotary Youth Exchange, The Netherlands

PERSONAL INTERESTS

I'm married with one husband and one dog. I enjoy reading, travel, art, music, cinema and history. I'm also a keen supporter of Australian Rules Football and love that there are games to go to all year round in Darwin. I'm a member of the Darwin Turf Club and regularly attend horse racing meets to enjoy lunch in the sunshine with friends, and my husband and I are well known for our Sunday roast dinners.

EMPLOYMENT

For the past ten years I have managed the Commonwealth Parliamentary Offices of the Northern Territory facilitating the delivery of services to Federal Senators and Members who serve in the Australian parliament in Canberra. Before that I was a Customs Officer for some years. I completed my legal study in 2016 and will be admitted to legal practice in 2017. Professional interests are in legal practice, political and legal systems, and contracting, procurement and finance.

DIETARY REQUIREMENTS

Food allergies are to fish, seafood and walnuts although other nuts are fine. I love coffee, cheese, wine, cake and chocolate. As the saying goes, enjoy everything in moderation, including moderation!

PERSONAL INTERESTS

I collect matchbox cars, enjoy watching comedy movies and National Rugby League, playing Cricket, long bushwalks, exercising and travelling.

EMPLOYMENT

I'm currently working as a Senior Engineer (Civil) for the Department of Transport and Main Roads, Queensland. I have been with the Department for the past eight years. Recently I commenced learning traffic engineering, where I look after development applications, heavy vehicle management and the traffic management centre. I have a genuine interest in traffic simulation modelling of design scenarios, including signal coordination, assessment, traffic impact assessment of developments, road safety investigations and audits, pedestrian and cyclist demand analyses, intersection and traffic signal design, traffic incident management and response freight management and logistics.

DIETARY REQUIREMENTS

Anything healthy which has vegetables, chicken, seafood or lamb but I don't eat beef or pork. I'll occasionally drink one or two beers, but it's a big no to cheese!

PERSONAL INTERESTS

I love movies, cooking, jogging and socialising with friends and family.

EMPLOYMENT

I am working for a USAID / Cardno Public/Private Partnership project called "Avansa Agrikultura" (Advance Agriculture) in Dili, Timor-Leste. This project focuses on improving the quality in Agriculture supply chain activity. My role is linking farmer groups that are already trained by the project to the potential buyers/supermarket/traders. I assist the project with the grants to micro, small and medium enterprises operating in the agriculture sector.

On this study exchange, I am interested to learn more on how horticulture industry established its relationship with farmer group and learning creative ways to engage more youth in Agriculture.

DIETARY REQUIREMENTS

I eat anything but must have my vegetables, and love to have a glass of wine with meals!

PERSONAL INTERESTS

I love movies, TV and music. I am a keen singer and played jazz saxophone in high school. I also have a theatre room in my house. I enjoy sports, in particular UFC, soccer and ice hockey.

EMPLOYMENT

I'm a Manager for People and Culture at Northern Territory PHN, a not for profit health organisation. Whilst I work for a health organisation, my role is focused on internal human resources; my main duties are recruitment, performance management, grievances and disputes, learning and development, organizational development.

For vocational days, I would prefer to focus on HR or management in a range of fields, rather than health specifically.

DIETARY REQUIREMENTS

I eat anything and everything (I enjoy trying new and unusual food). I enjoy a glass of wine and a cheese platter and am very excited to travel to the state that is the number one producer of cheese in the USA!

QUALIFICATIONS

Bachelor of Community Development & Language

PERSONAL INTERESTS

I love to read spiritual books, cooking and socialising with others.

EMPLOYMENT

I am the Deputy Director for "SOLS 24/7" in Timor Leste. SOLS stands for 'Science of Life Systems', and SOLS 24/7 is an international NGO dedicated to the education of disadvantaged rural youth. In Timor Leste SOLS 24/7 has over 3000 students and operates through 47 branches.

As Deputy Director I am responsible for all activities of the organization including funding and government relations.

DIETARY REQUIREMENTS

I can eat anything and am eager for new food experiences!

PERSONAL INTERESTS

I love to get together with friends to cook, and enjoy entertaining, throwing parties and dinners. I am a creative person and enjoy painting, drawing and other crafts, and my husband and I love to travel as often as we can.

EMPLOYMENT

Small business owner of Ethos Interiors, an interior design firm. I work in residential and commercial sectors and my work could include the design of a new office fit-out or commercial building, consulting with clients on renovations or decorating of their existing homes, or helping clients select colours and finishes for new home builds. I'm very interested in seeing how other interior design firms operate in terms of client relationships, project management and general management. I'm also interested in one day opening a retail and/or online store, so experience in running a retail store, purchasing and stock management for a small business would also be interesting. Really, any business relating to furniture, tiles, textiles, design or construction will teach me something new!

DIETARY REQUIREMENTS

I eat anything and love to try new foods and drinks!
